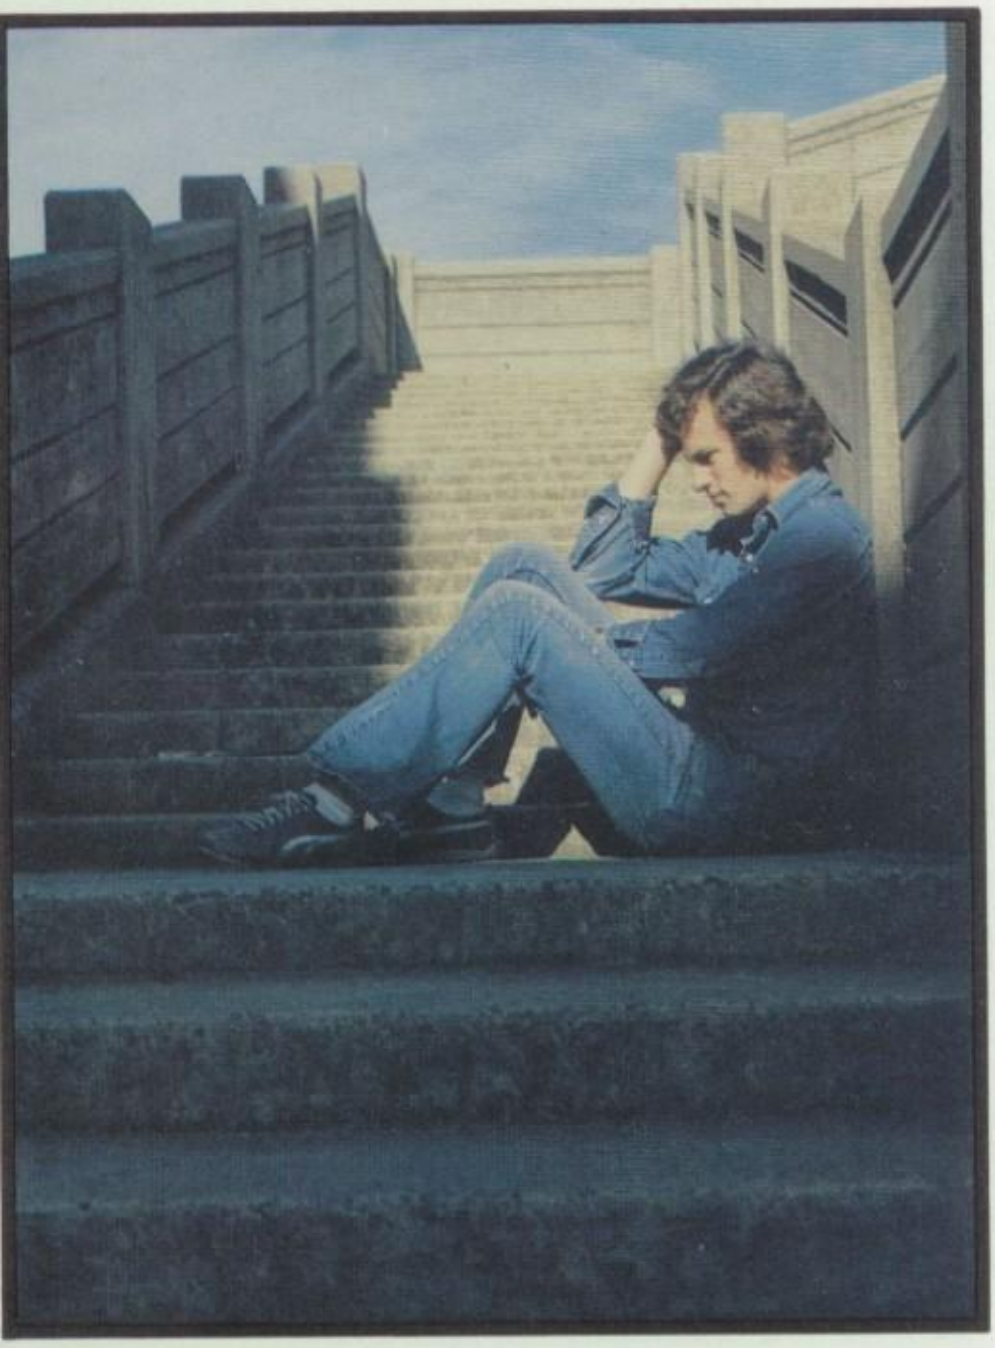
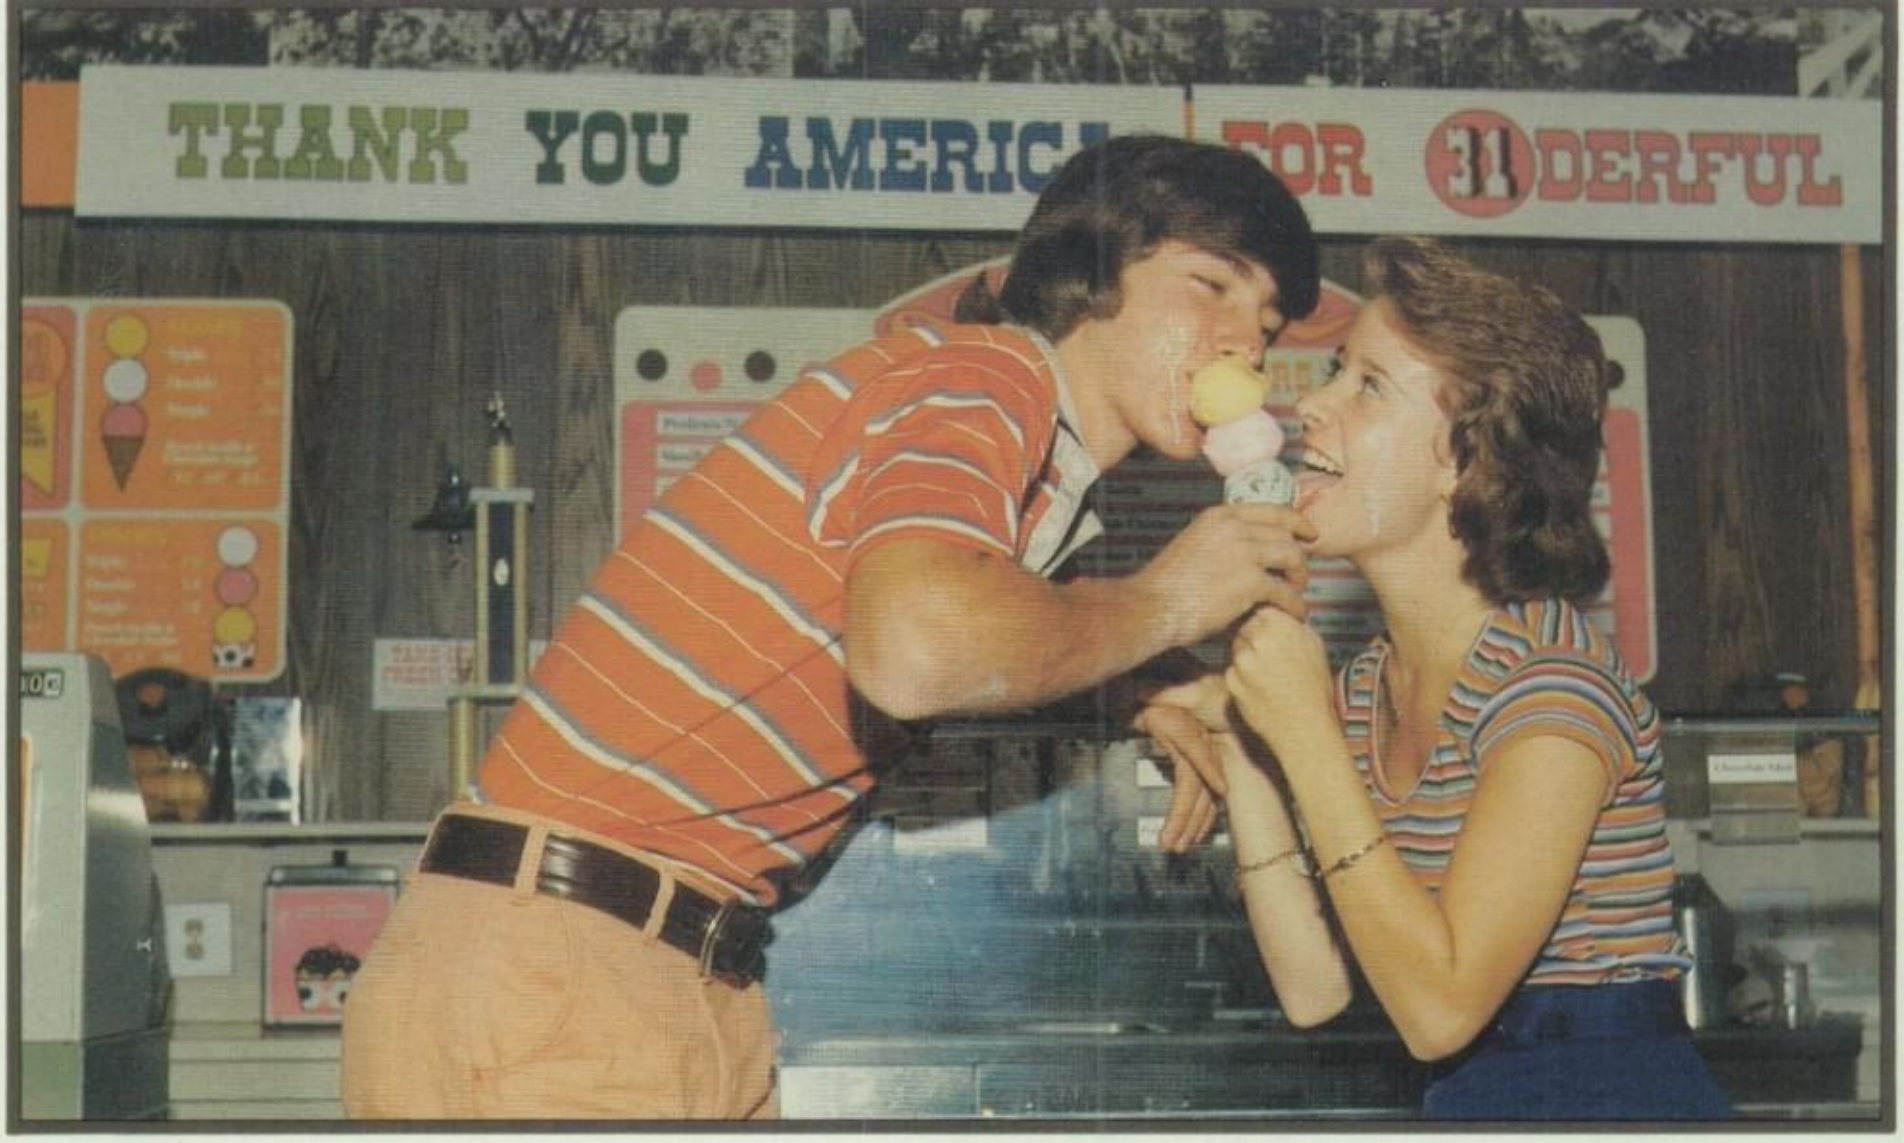
Yesterday,
Tomorrow,
Today . . .
a never ending
cycle of life
we each experience.

Yesterday
we lived as a child,



unaware of people,
places, and problems
which surrounded us

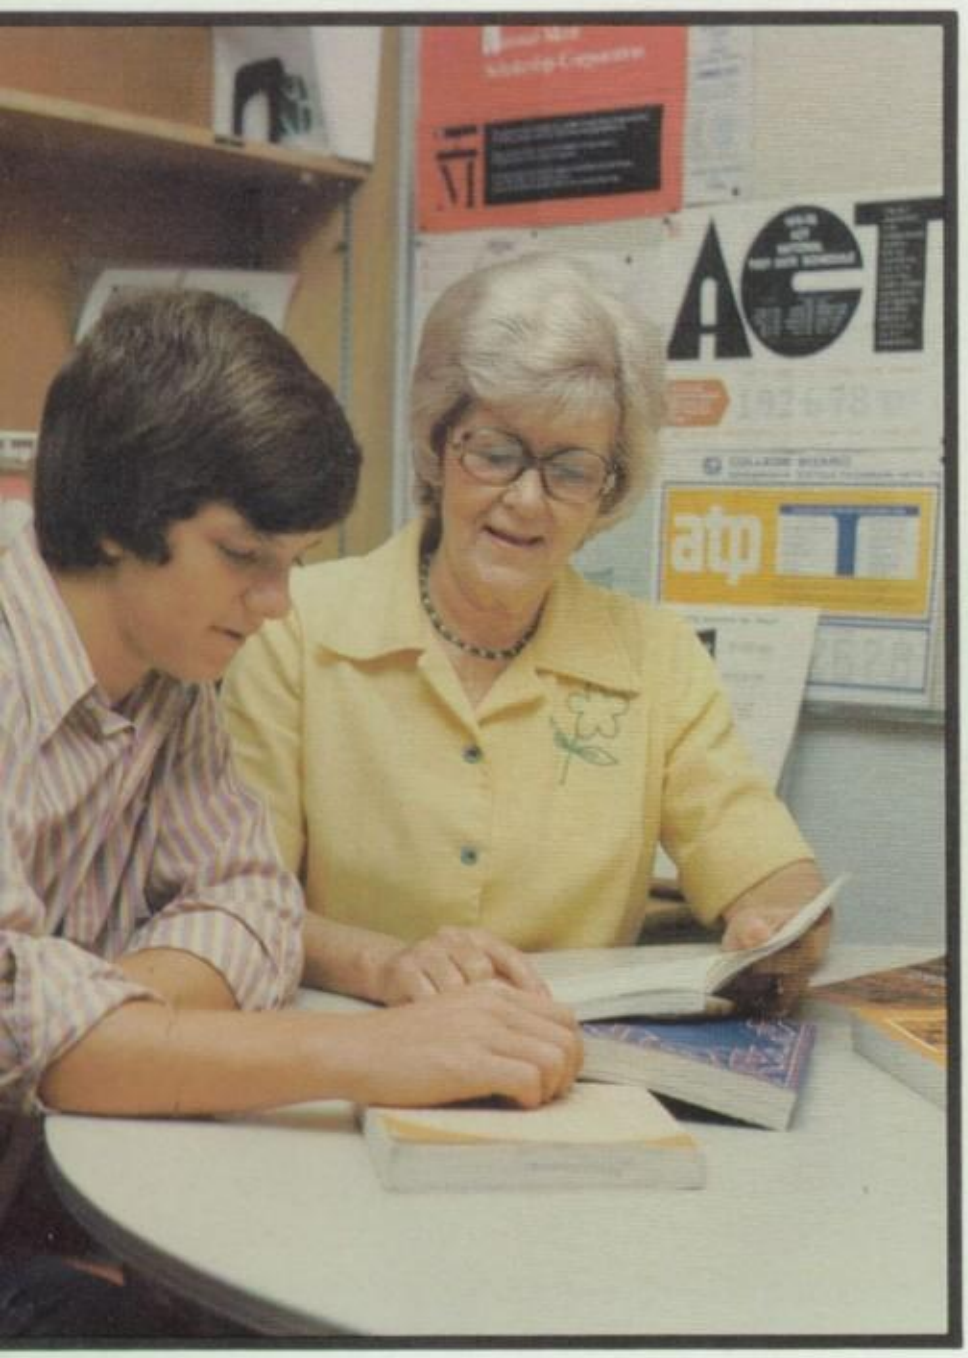


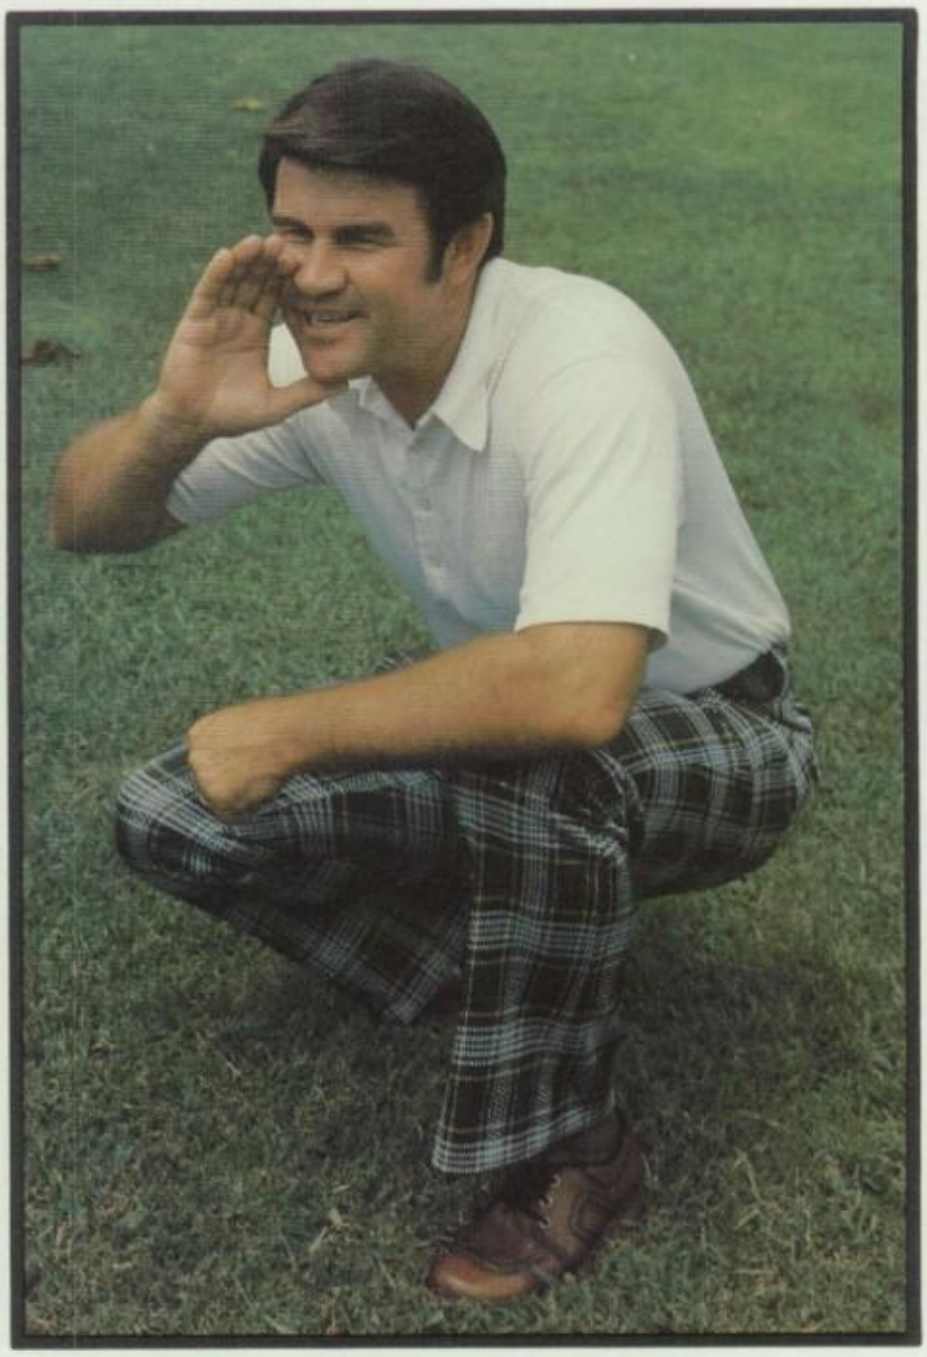
as if
we existed

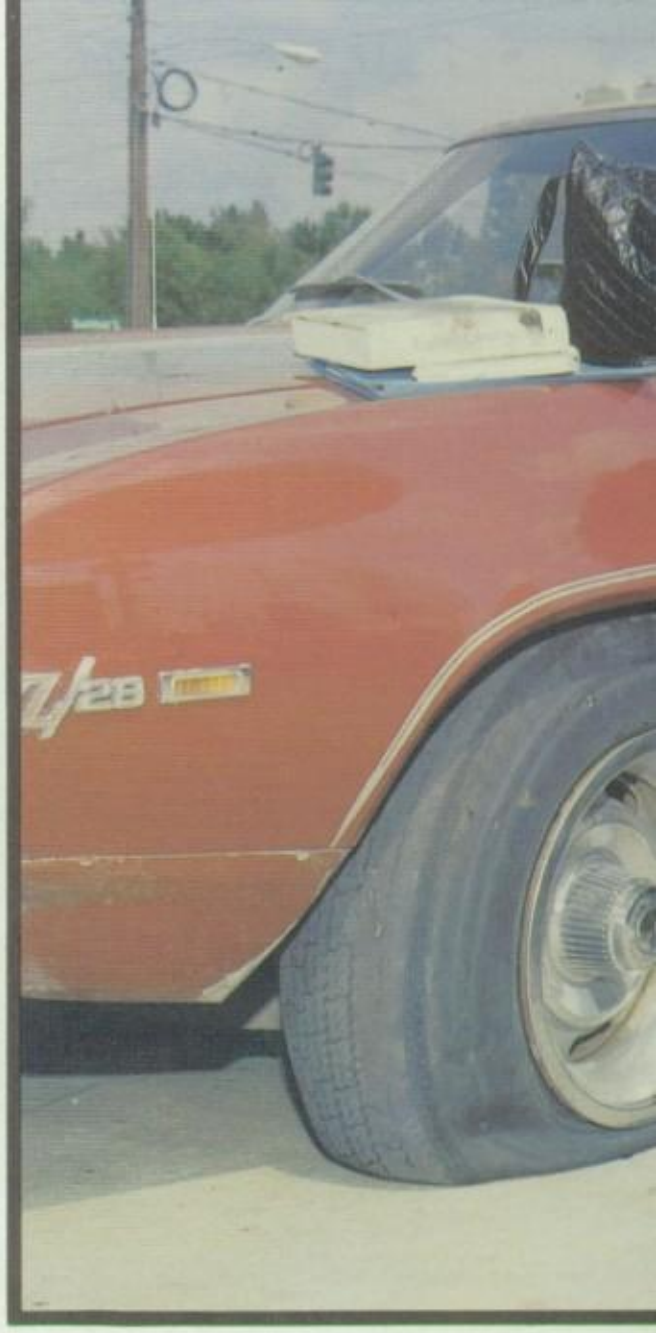
in a
fantasy world.

We had faith in
those around us

to steer us down
the right paths
of life.







We are ignorant
of all the joys,
hardships

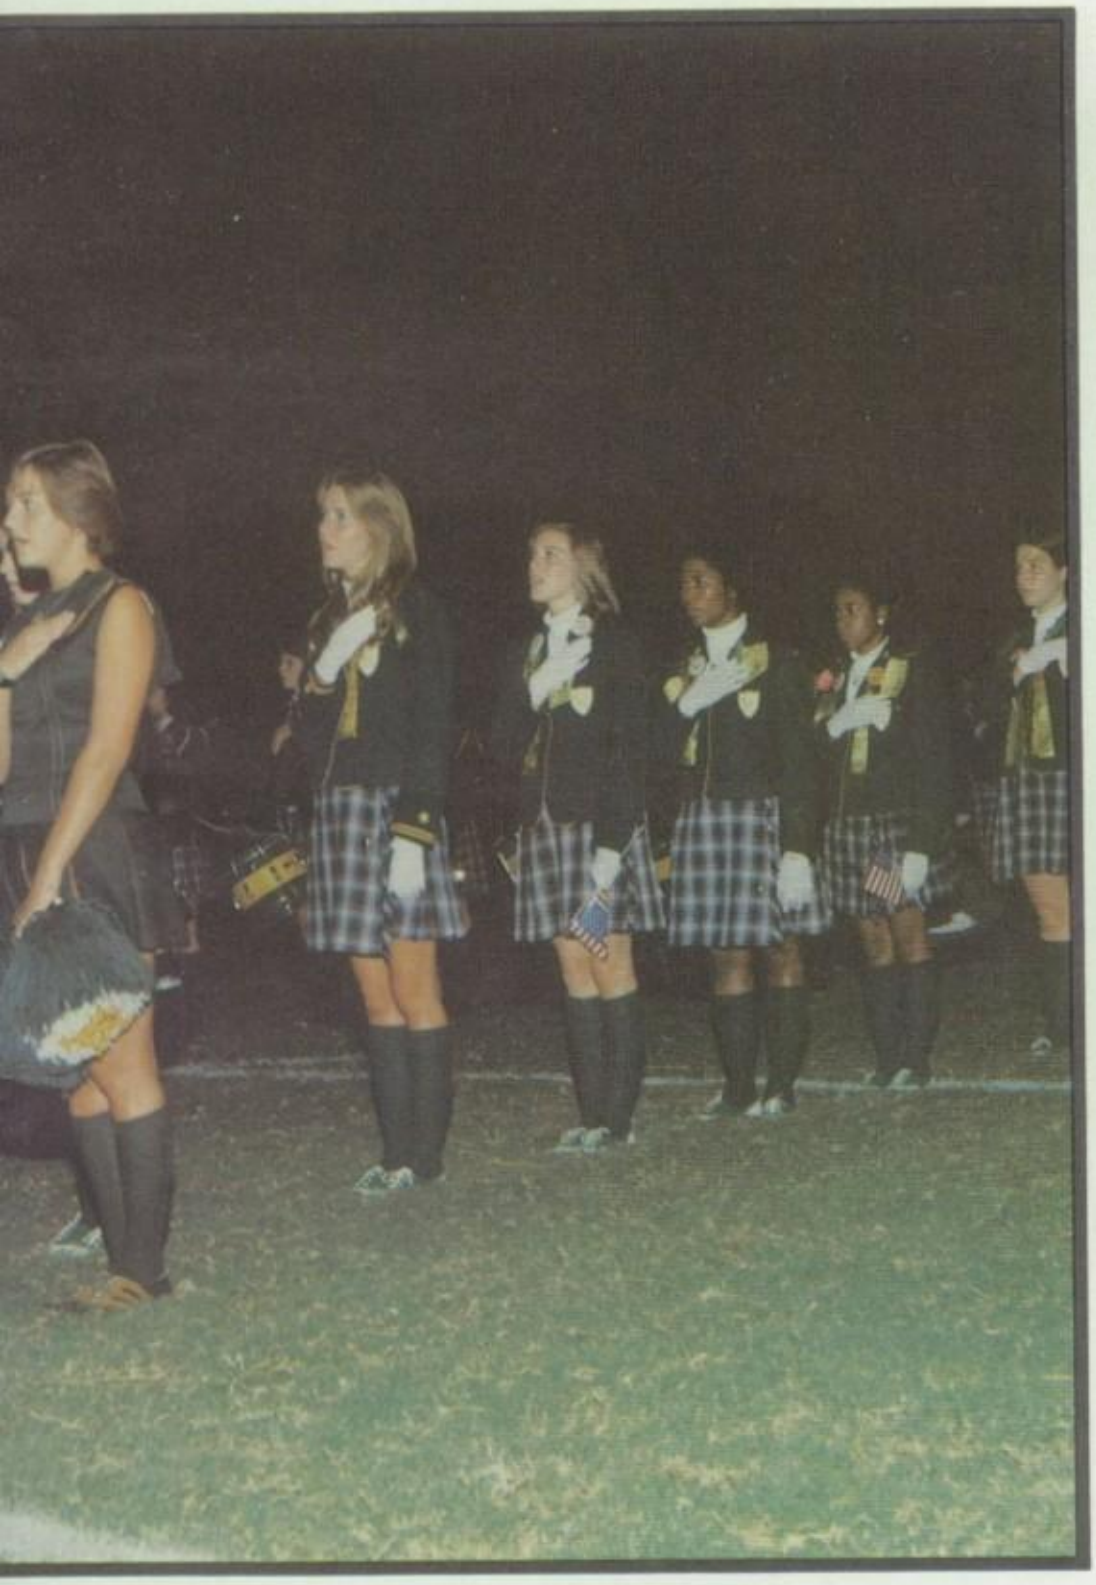
and new discoveries
tomorrow may bring.

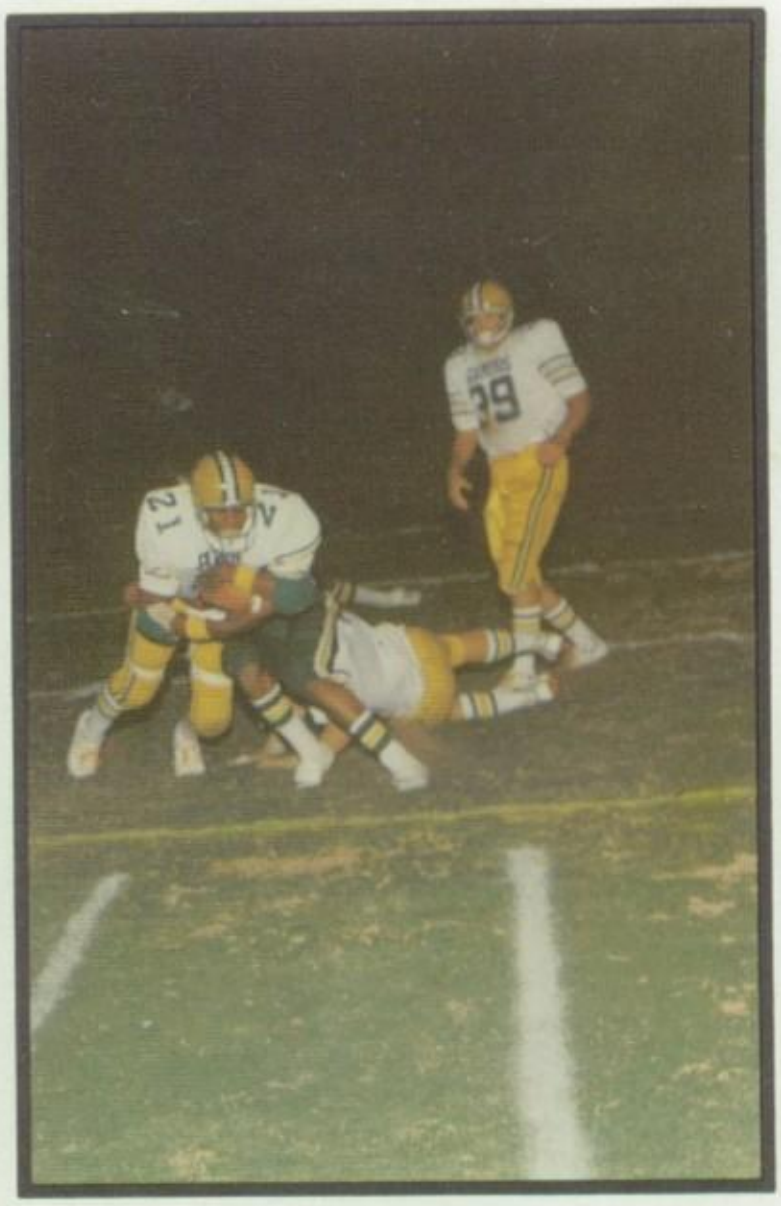
But through faith
in our leaders,
our elders, and
most importantly
in ourselves,

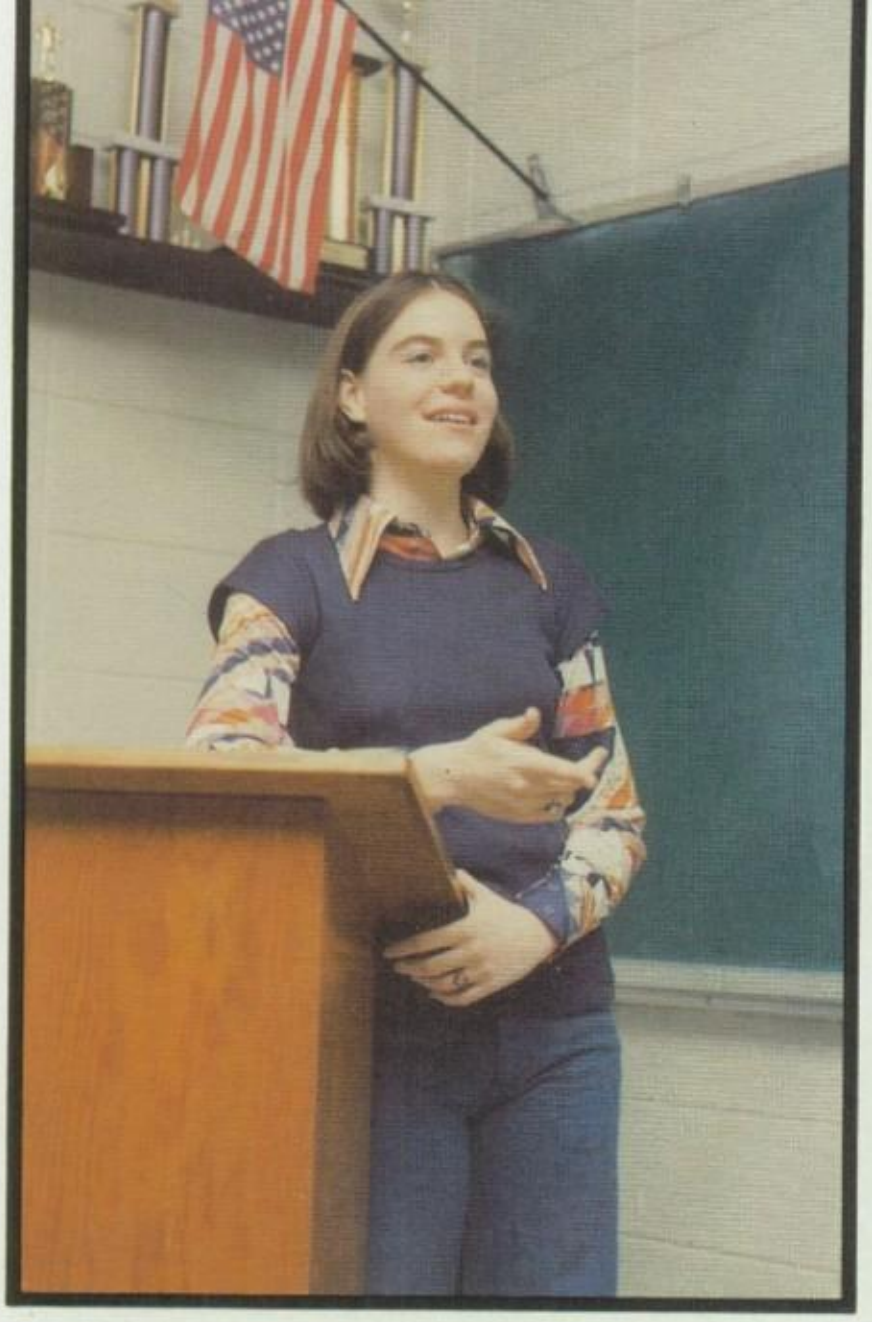
we can live
and work
together,

hoping to reach
the high ideals
of life

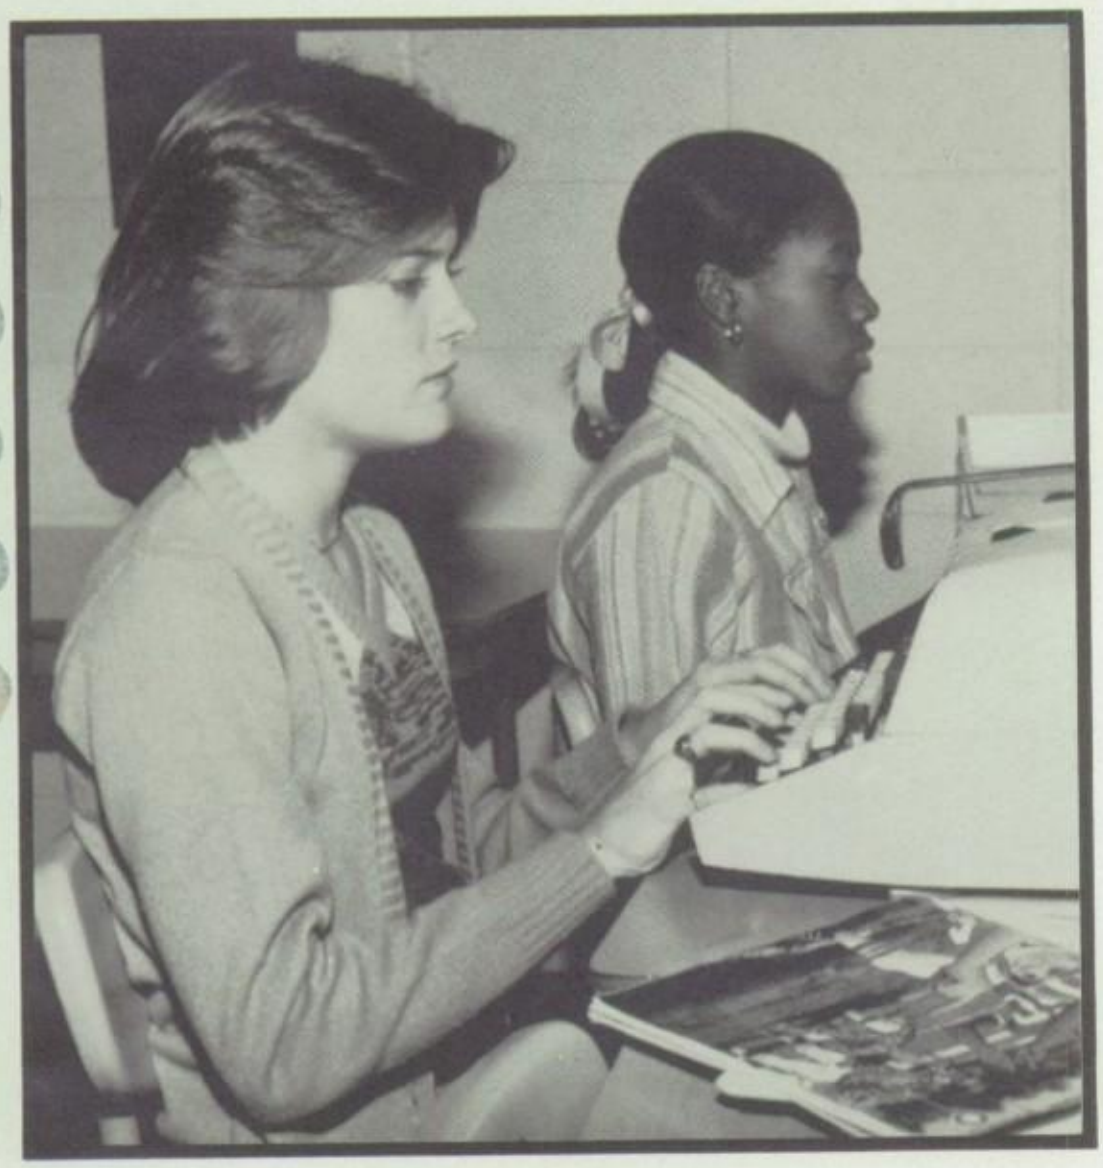
we each
have set
for ourselves.







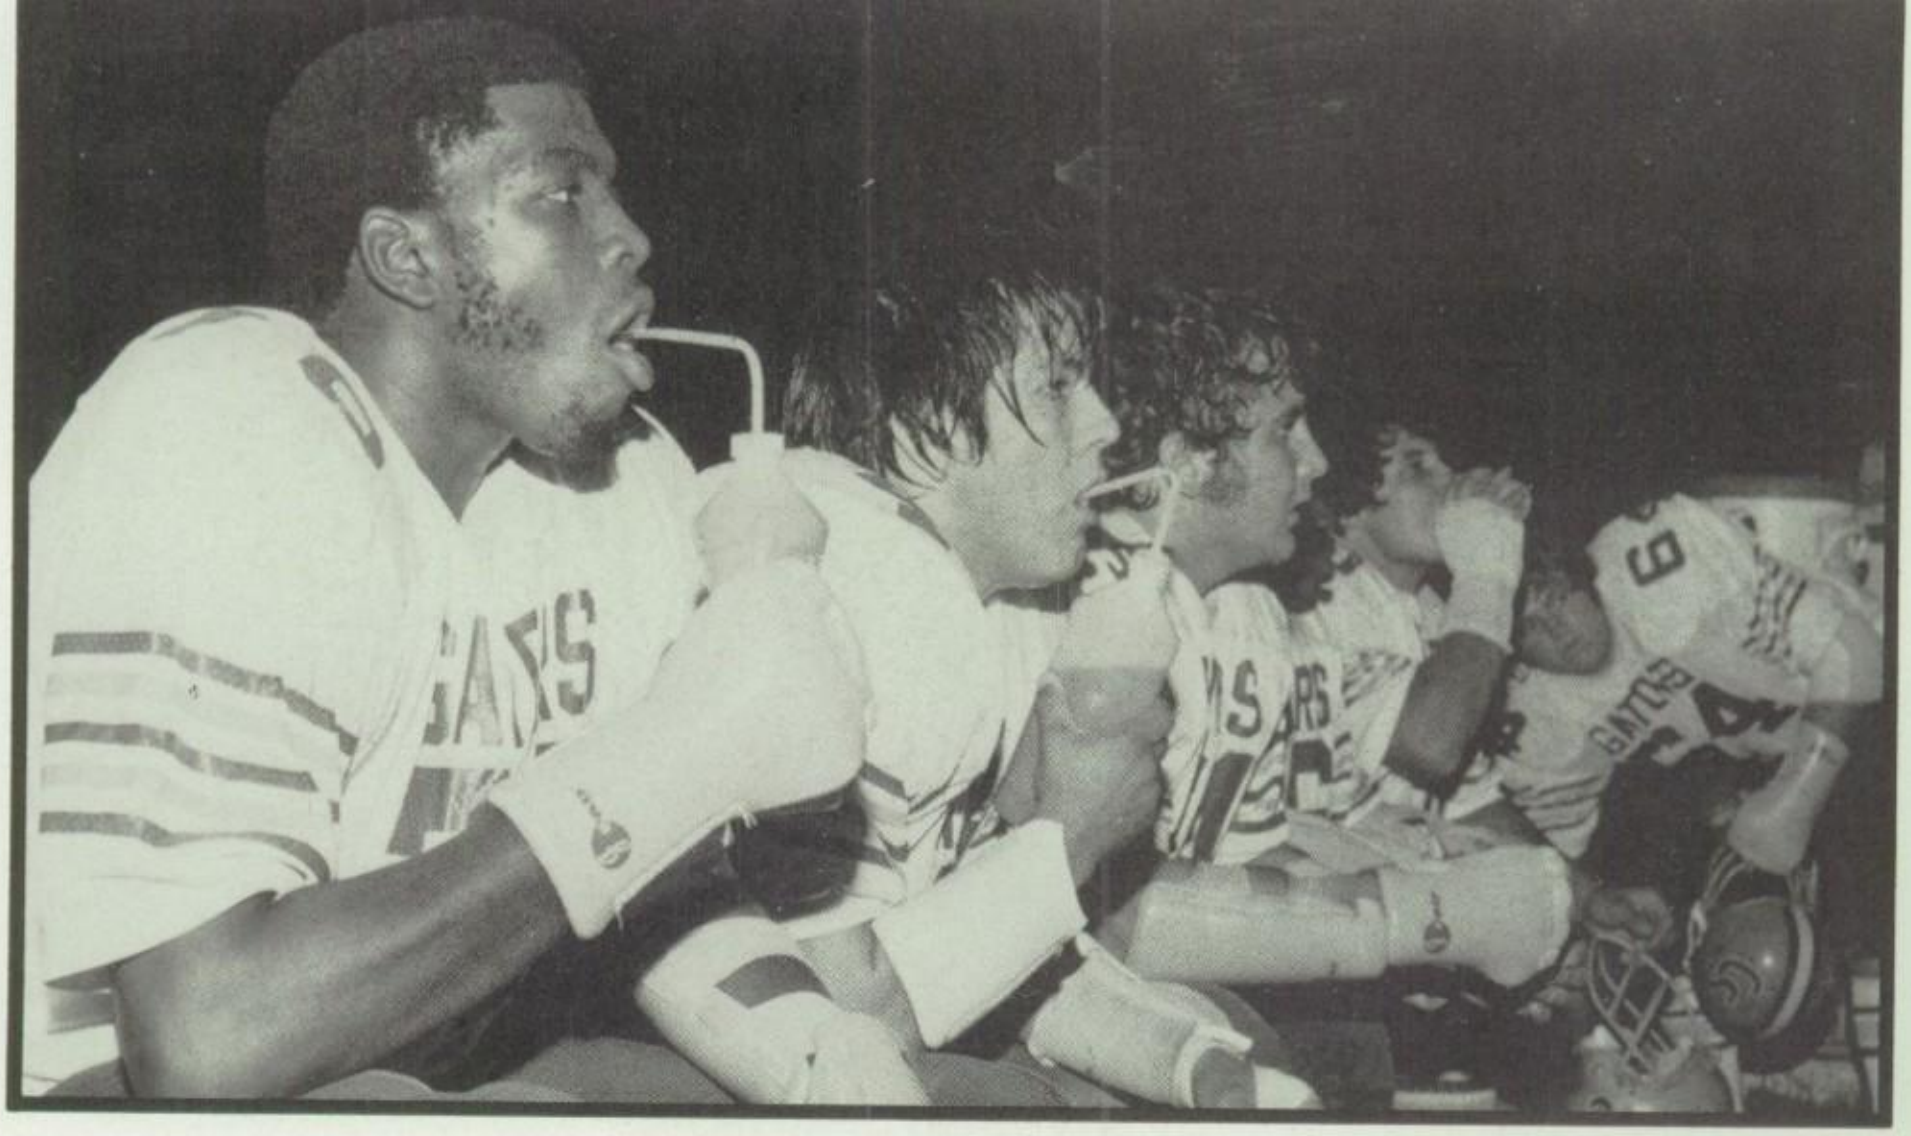
But today
we live



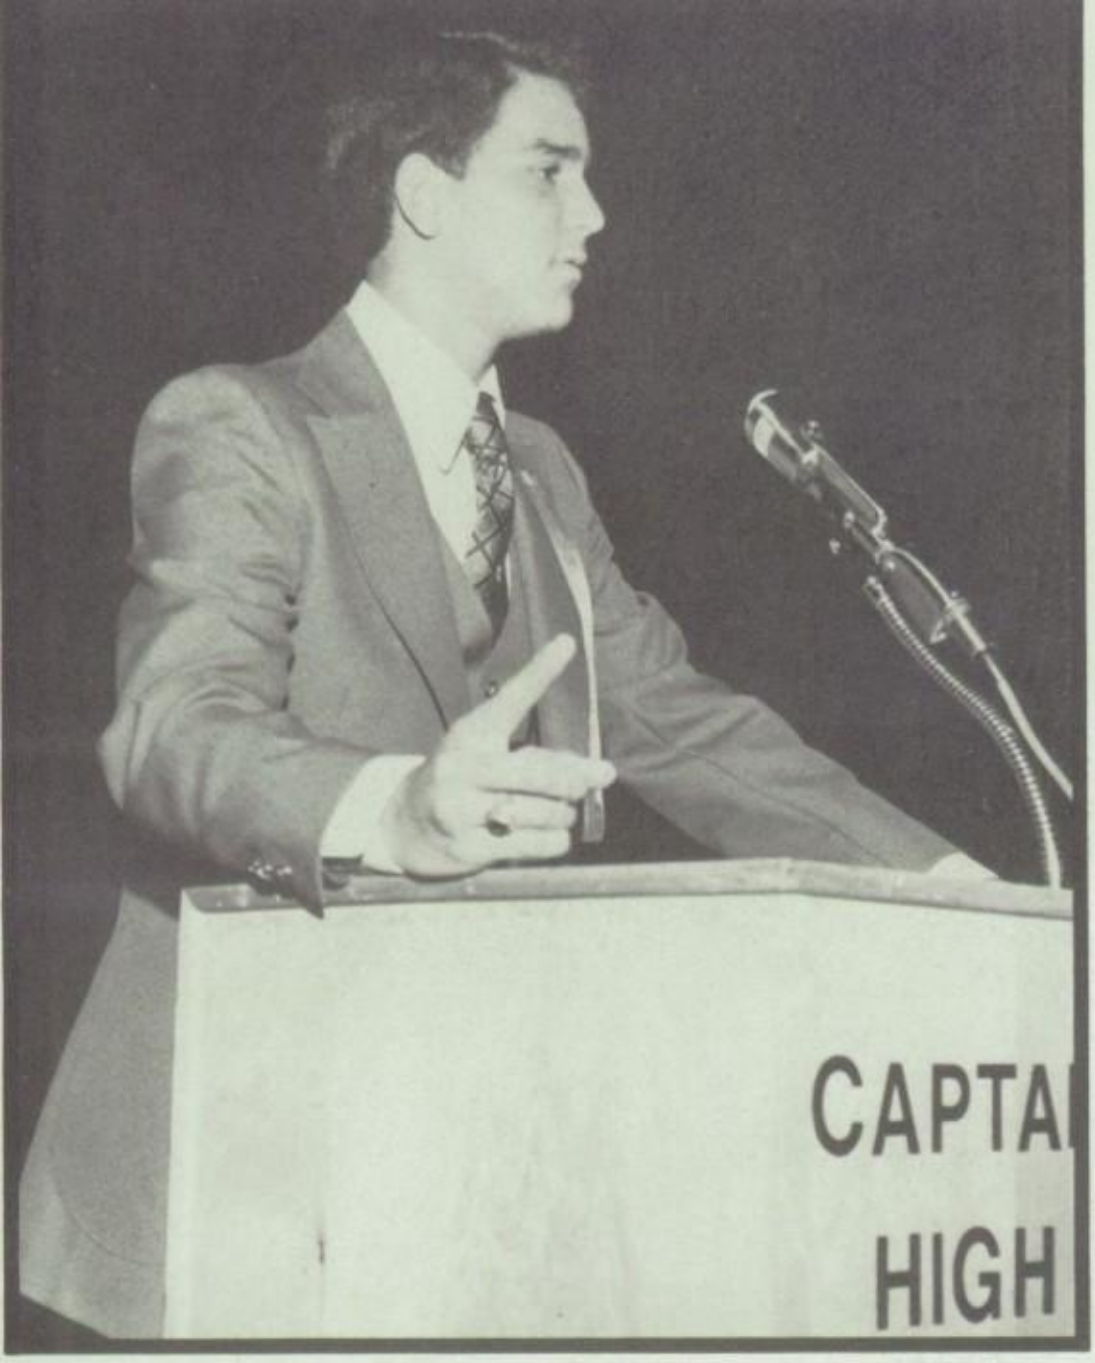
with an abundance
of opportunities
surrounding us

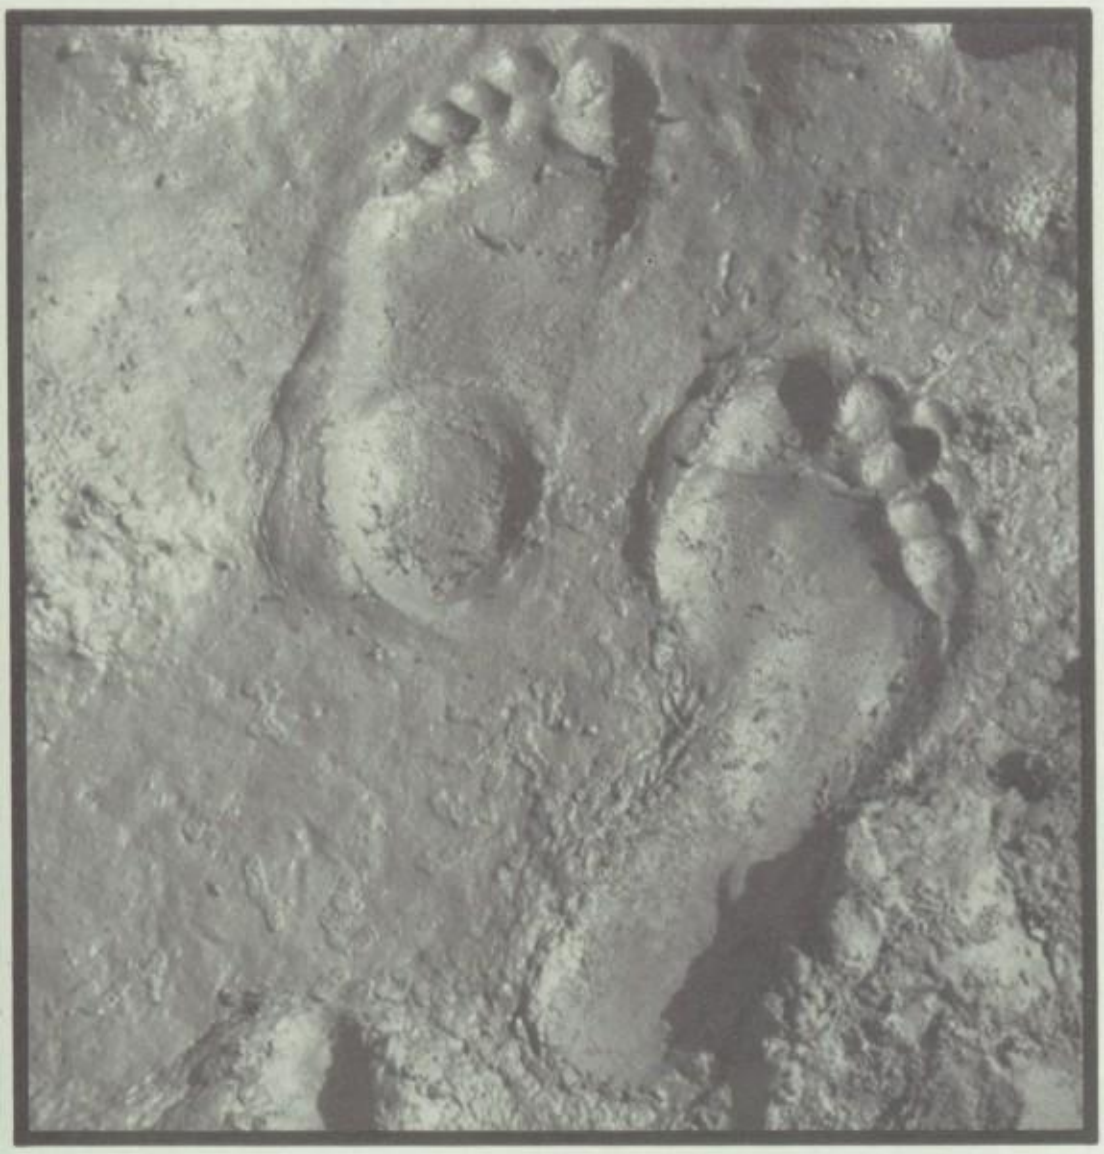
Inviting us
to live our lives

To their
greatest
potential



So that once we've
left this plateau





Our lives may have made an impression on those who follow after.

CAPTAIN SHREVE
777 GATORS

Ten Spirited Years for Mr. Powell

Mr. Powell's ten year involvement at Captain Shreve was a continuous responsibility. He has been an active and spirited principal since the school opened in 1967. Mr. Powell had many responsibilities in the office, but he has always found time to enjoy the students. For the past ten years he has participated in pep rallies, went to football games, and to victory flag raisings.

Mr. Powell enjoyed camping outdoors, being with his family, attending school functions, and supporting school organizations. Mr. Powell, along with other faculty members, has given his best efforts to Captain Shreve these ten years.

Assistant Principals Play Active Role

The administration and student body benefited greatly from the services performed by its assistant principals. Mrs. Helen Dear returned to Shreve to begin her fifth year as assistant principal. Joining the staff this year was Mr. Ecotry Fuller. During the second semester, Mr. Donald Horton assumed the responsibilities of assistant principal after Mr. Fuller's transfer to Youree Drive.

Mr. Horton's and Mr. Fuller's main job was to coordinate student activities and deal with disciplinary problems. Students and faculty were grateful for their concern and interest toward their responsibilities.

Mrs. Dear's primary concern was in the instructional area. She assisted in preparing the class schedule, advised teachers, enforced the dress code, and performed many other valuable services. Each of the three assistant principals played an important role in making this school year a success.

Counselors Offer Assistance

In the past, through the concern and advice of the counselors, students at Captain Shreve were provided with aid and guidance in many areas. The counselors not only helped students to make important decisions concerning the choosing of high school schedules, colleges, and careers, but also made themselves available for guidance in personal problems as well.

The 1976-77 school year was no exception. The counselors, Miss Inez Franz, Mrs. Ruby Powell, and Mrs. Mable Walker, answered countless questions and took an active interest in the students' problems. In doing so they made life at Shreve much easier for many students.

Hard-Working Staff Coordinates Office

In a school with over 1800 students, such things as checking in and checking out, getting messages to students, checking on absentees, receiving phone calls, keeping financial records, and handling the paperwork could be a very frustrating job. However, thanks to a very well-qualified and hard-working office staff, these duties, as well as many others, were performed competently and in an orderly fashion.

The joint efforts of the secretaries, Mrs. Joann Goodwin and Mrs. Dorotha Layton, the bookkeeper, Mrs. Carolyn Morris, the registrar, Mrs. Mildred Young, and the student office workers kept the office running smoothly and efficiently.

English Prepares Pupils for Future

The English department at Captain Shreve permitted students to choose their English courses according to their future vocational and educational plans. For those students interested in becoming writers, creative writing and journalism were offered. Speech and drama helped the student pursuing a career in communications. Basic principles of grammar and literature were offered to students interested in a well-rounded English background for everyday use. These courses included reading, novels, and English I and II. All of these classes helped students understand the importance of English in today's society. This year, English was geared to meet the future needs of students, whether for college or for a vocational career.

English Classes Explore the Past

The English classes at Captain Shreve captured the imaginations of all who participated in them. Through the works of Shakespeare and Chauser, as well as medieval plays, and mythology, students were able to rediscover and explore the past. In English III, students learned how American literature reflects our cultural history, while English IV classes studied great works of English literature that have influenced world history. Through the world of literature, students were able to prepare for the future by viewing the past.

Perhaps, it was this hint of the future mingled with the past that made English such a rewarding and popular subject.

Social Studies Explores Past

Social Studies courses at Shreve provided the opportunity for students to explore the past as well as to prepare for the future. Courses in World History, American History and World Geography helped to broaden the student's concept of the world, not only of its heritage, but also of the ever-changing present and effects it will have on the future.

Students became aware of their rights and responsibilities as citizens through courses in civics and economics.

A proper background in social studies helped to equip Shreve Students with the knowledge needed to contribute to society and be an effective world citizen.

Math Develops Reasoning

The math department at Shreve strived to meet the challenge of a world where math is rapidly becoming almost vital to success. They did so by offering a variety of courses in mathematics. These included such courses as Algebra I and II, geometry, advanced math, general math, business math and computer programming.

These courses helped students develop logical reasoning, intuitive thinking, and the ability to apply general conclusions to all types of related material.

The success of the courses proved that math can be interesting in high school, as well as helpful in future life.

Inquisitive Students Enjoy Science

The Science department of Captain Shreve offered a well-rounded program of science courses that aroused scientific curiosity in students. Films, lab experiments, lectures, and visual aids were all used to stimulate student interest.

General Science provided an overview of the basic principles of science. Biology classes dealt with the principles of plant and animal life. The chemistry classes explored nature through a test tube, while physic students concentrated on the study of changes in matter and energy. In all the science classes, students were called on to reason and apply the many scientific methods at their disposal.

By studying new and interesting materials, science students at Shreve furthered their understanding of the world in which they live.

Phys. Ed. Releases Excess Energy

The girl's P.E. department at Captain Shreve was used to let some of the girls' excess energy out after being in class during the day. The girls played basketball, badminton, volleyball, and bounceball during the winter months. When the weather was warmer, they played tennis, archery, and softball. In the different sports, the girls competed individually or against teams. Each girl learned the rules of the sports and how to compete with sportsmanship.

The girls were taught health, safety, and first aid as a part of the P.E. program. The students also became aware of what to do in case of emergencies.

Boy's P.E. Stresses Participation

The basic aim of the boys' physical education department was to educate the student through a variety of wholesome and interesting activities. Boys' P.E. provided an excellent opportunity for physical development through participation in various games and sports. Football, soccer, basketball, volleyball, tennis, and wrestling were only a few of the activities seen in gym classes.

Drivers' Education classes were also offered as a part of the physical education program. In these courses, safe driving methods and traffic safety were taught.

Physical education was one of the most important courses offered at Shreve, for it required both mental and physical participation from the student.

Foreign Language Studies Cultures

The foreign language department at Captain Shreve gave students a better understanding of the language, history, and way of living of the foreign countries. French, German, Latin, and Spanish were the foreign languages that helped the students widen their horizons of communication.

In the foreign language classes, the students listen to dialogues, learned vocabulary, and learned the grammar rules in the different languages. In Spanish, the students learned about Spanish writers and heroes.

There were four foreign language clubs offered to the students who wished to enrich their understanding of the different cultures.

ROTC Stresses Appearance

The ROTC program at Captain Shreve stressed many qualifications. Among these were the appearance of the students in uniform and the ability to do military work. ROTC students were taught how to use weapons, to read maps, and to perform drill practices. Military history and military strategy were also learned.

During football season, the color guard raised the flag at home games while the drill team patrolled the stadium. The rifle team performed at the Homecoming ceremonies. Many of the ROTC students, who were talented enough, competed in city-wide competition. The rifle team and drill teams won numerous tournaments during the school year.

Through these activities, the ROTC members gained a sense of pride in themselves, their school, and the nation.

Art Shows Creativeness

With the help of Mrs. Hazel Harris and Mrs. Charles Fitzpatrick, Captain Shreve's art students were able to develop their creative abilities in many areas of art.

The art department offered students a four-year program of art instruction. Art I was an introductory course which familiarized students with general materials and terms. Art II, III and IV students refined the different techniques in charcoals, water colors, pencil sketches, landscapes and still life.

Creativeness and originality were stressed in all classes, and students were encouraged to bring out their own individualism in their work.

Practice Makes Perfect Music

The music department at Captain Shreve offered not only courses in music theory, but also gave performance experiences to the various participants in the program. Students could elect to participate in the various band offerings, orchestra, choir or general music.

The marching band, which included members of the stage bands and concert band, boosted Gator spirit at the fall football games. During pep rallies members of the stage bands added a needed lift to the student body's enthusiasm.

Throughout the year Shreve's musicians represented the Gators at music festivals and in almost every case came away with superior ratings and awards. These performers contributed to the Number One tradition that Shreve is noted for.

Skill Is Needed for Good Typing

Coordination and skill were two techniques that students needed to take typing. These techniques were used in all business courses offered at Captain Shreve.

The different courses in the business department were bookkeeping, clerical practice, shorthand, and typing. More advanced courses were Typing II, Shorthand II, and Bookkeeping II. These courses helped the students in preparation for the future.

The Future Business Leaders of America was a business club sponsored by Mrs. Dorothy Flanagan and Mrs. Lena Leviston. This organization helped to train the students for a future in the business world.

D.E. and C.O.E. — Classes at Work

The Distributive Education, Work Study, and Cooperative Office Education programs offered an excellent opportunity for students to get a first-hand view of the world of business. In these programs, students attended regular classes at Captain Shreve half a day and worked the rest of the day. C.O.E. students reinforced their classroom lessons in bookkeeping, shorthand, and typing, by working as secretaries, clerks, and receptionists in businesses throughout the city.

The buying and selling techniques learned in D.E. preparatory classes were easily applied to jobs as sales clerks and cashiers.

The classroom and job experiences provided by the D.E., Work Study, and C.O.E. programs prepared many students to enter the world of business.

Electives Provide Job Training

At Captain Shreve, many students involved themselves in a variety of electives. Some of the different electives offered were: home economics, mechanical drawing, small appliance repair, and woodworking.

Home economics taught the students how to sew, cook, and about home living. The mechanical drawing classes taught students to draw and to plan houses on paper. The fundamentals of servicing, adjusting, and repairing of appliances were learned in small appliance repair. Woodworking was also offered to teach the students how to cut and shape different types of wood.

Each elective offered gave the students a chance to use their hands and to learn new skills.

Learning Center Is Helpful

Many students at Captain Shreve took a period each day for study hall. There was a quiet side for those who wished to study and do homework. The other side was loud for students who wished to visit with friends. Also, on the loud side the students sometimes watched movies or looked at magazines which were put out on the tables. The roll was taken by the aides who were in charge of the learning center. Study hall was helpful for many students because it gave them an extra hour for school work.

Career Center Trains Students for Future

The Caddo Career Center was for students who were interested in obtaining jobs immediately after graduating from high school and for those just interested in learning more about a particular field. The center offered twenty vocational-technical courses in fields ranging from electronics to fashion design.

Many of the courses required a strong background in one or several related areas. Courses in health occupations, appliance repair, and drafting, as well as many others, provided opportunity for on-the-job training positions in the community. This type training prepared students for employment with salable skills and technical knowledge.

Library Is Place of Study

Through efforts of librarians Miss Zoe Ramsey, Mrs. Evelyn Valore, and library secretary Miss Linda Holmes, Captain Shreve was provided with an adequately-stocked and well-run library. Open before school and until 4 pm, the library was a place where students could read, study, or work on research projects.

Magazines, newspapers, and books of all types were kept in the library and could be checked out overnight or for a period of up to two weeks.

The librarians were assisted in their duties by a group of students who gave up study hall to help out with the various responsibilites involved in running a library.

Cafeteria Workers Have Student Help

The student workers in the cafeteria were a great deal of help to the cafeteria staff this year.

Different clubs assigned students to work in the lunch lines serving rolls and desserts. It was a new and different job for the students.

The cafeteria provided two hot lunch lines and one sandwich line. Breakfast was also served every morning before school.

Mrs. Kathleen Johnson, the cafeteria manager, planned the meals with the help of the cafeteria workers.

Shreve Life Like a Rainbow

Within the great round walls that make up Captain Shreve, many colors of the rainbow have lived in the form of spirit, happiness, enthusiasm for living, and thoughtful, magical moments. The multi-colored rainbow was symbolic of the ever-changing lives at Shreve. Every day brought a myriad of events. Emotions were revealed, struggles overcome, and happiness and joy found. Student and faculty members alike were recognized as individuals expressing their own unique talents. Everyone contributed in some way to the rainbow and the knowledge acquired and foundations that were laid in each person have been planted as seeds for the future.

Green Reflects Spirit and Pride

Green symbolized feelings of spirit and pride at Captain Shreve. These unchanging attitudes constituted a strong sense of school patriotism, which was reflected in the faces and work of Shreve students.

Spirit was expressed in various ways throughout the year. Shreve students showed enthusiasm and high participation in school events. This participation and enthusiasm unified Captain Shreve as a body of students and teachers working together.

Supporting the spirit of Captain Shreve was a deep pride, a feeling among the students that Captain Shreve was the best. Implanted in the characters of every Gator, this pride was made manifest by the continuing student interest in, and support of, school activities.

Yellow Embodies Good Spirits, Good Times

Good times at Shreve meant cheerfulness and craziness rolled together. One found it everywhere — in the halls, rooms, and in the unique facial expressions of the students and teachers. A friendly smile was contagious at Captain Shreve and laughter was a permanent inhabitant, resounding not only in the school but wherever Shrevers went. Freshmen, Sophomores, Juniors, and Seniors all contributed to the good life at Captain Shreve with their own individual personalities adding color to every school activity. Their good humor was the foundation of the soul of Captain Shreve which flourished throughout the year as students and teachers learned and worked together.

Bold Red Brings Fullness of Living

Vivid pictures were painted of student life in Gatorland this past year. The desire to live enthusiastically, to succeed, and become involved in different things characterized the boldness and brightness of the color red.

Although schoolwork naturally occupied a major portion of everyone's time, other opportunities existed to develop and expand the diverse interests and needs of all individuals. These opportunities ranged from sports activities to participation in the student government, and community or school service clubs. For many, all of these things compiled made the 1976-77 year a busy and fulfilling one.

Blue Days

Blue, the color of many meanings, is as complicated as the lives of many Captain Shreve students. It can create both tranquil or melancholy feelings.

Students could not have done without the peaceful days when everything went right from first period to the end of the day. A soothing contented feeling overcame them as they reflected on a game well played or a paper well done.

Unfortunately, darker days came around also. Life was hectic, and things seemed to go from bad to worse. However, these days weren't so bad for they made the clear ones seem even more special.

Violet Brings Magic to Shreve

Mystical magical, violet was an integral part of the Captain Shreve rainbow, for it represented those very special times in the lives of the Gators. No one could possibly know what those moments were for each individual, but each, in its own special way, contributed to the total picture of high school life. Magic has always lent an air of excitement to life — not the rabbit-out-of-the-hat kind of magic, but the warm feeling one gets when something wonderful occurs. Whether it was as outwardly insignificant as a smile from someone special or as monumental as graduation, each was treasured as a magical moment at Captain Shreve.

At the End of the Rainbow Lies a Pot of Gold

It was said that at the end of the rainbow lies a pot of gold. At Captain Shreve, life was like a colorful rainbow. Colorful people, emotions, and activities constituted the rainbow.

Every mood found its way through the halls. Many happy, sad, and pensive moments were shared here. The strength of Captain Shreve grew from the spirit of the students and teachers. These things combined to form a multitude of rainbow colors.

The knowledge gained and moments experienced were truly worth a pot of gold. Though the times have vanished, the memories remain.

Council Still Strong After Ten Years

The Student Council was an integral part of Captain Shreve. Its influence and importance to the students and faculty has steadily increased since the founding of Captain Shreve in 1967.

Under the guidance of two new sponsors, Mr. Matt Perdue and Coach Johnny Burnom, several projects were initiated during the year to improve communication between the council, faculty, and student body. Suggestion boxes and homeroom representatives were direct sources of student ideas and complaints. Homecoming elections, victory flag raisings, basketball concessions, and selling decals and parking permits were all Student Council activities.

Astra Clubbers Are Active

Astra Club, sponsored by the Altrusa Club, was involved in school and community activities. Under the guidance of their advisor, Mrs. Judy Horne, club members served as guides at college night and sold refreshments for teacher workshops. Astra Club promoted school spirit by selling Halloween treats, putting streamers on cars, painting banners, and selling "I live in Gatorland" buttons. This service organization made monthly visits to the Shriner's Hospital and weekly visits to Magnolia House. Assisting in various charity drives such as the Poor Man's Supper were among the club's numerous activities. Astra Club serves not only the community but the school as well.

Octagon Supports Basketball Team

The Octagon Club was one of the newly formed service clubs this year at Captain Shreve. Sponsored by Miss Judy Langley, the club was composed of students from all the different grades here at Shreve.

The Octagon Club provided Captain Shreve with many helpful services during the school year. The members were faithful supporters of the basketball team. They decorated the players' lockers with good-luck posters and streamers. The Octagon Club also collected clothes for needy families at the beginning of the year and sold candy to raise money for special projects. By providing these services, the members had a very rewarding year.

Z-Club Offers Its Many Services

The Z-Club of Captain Shreve performed many activities during the school year. At Christmas, the Z-clubbers decorated a Christmas tree in the front foyer for the enjoyment of the students and faculty. The club also sold Christmas stockings filled with homemade cookies and candy. Once a month, the Z-club members visited the nursing home. For the club's international project, the members collected clothes and sent them to needy families in Israel.

Z-Club, sponsored by Miss Lee and Miss Rinaudo, was a club composed of sophomore, junior, and senior girls. The purpose of the Z-Club, to offer service to the school and community, was again accomplished this year.

Interact Boosts Gator Spirit

The Interact Club at Captain Shreve endeavors to provide service and aid to the community, as well as to the school.

Under the leadership of Mr. Greg Cofer, Interact Club served the school by printing the "Gator List," painting spirit banners, and planting shrubs to beautify the campus. A special project involved the posting of "Gator Crossing" signs in front of the school. Members also collected for the Heart Fund and assisted at the Brooks Street Halloween Party. As the main project of the year, Interact Club cooperated with other area high schools in order to collect enough Post cereal box tops to buy school equipment for Shreve Island School.

Key Clubbers Work Together

The Key Club, sponsored by Mr. Jack Bogan, was very active in working with local organizations around the city this year. The club members joined together with other community organizations and remodeled the Rutherford House. During Christmas, the members helped Sister Margaret deliver Christmas toys to needy families in the Shreveport area. Other services included collecting money for the Salvation Army and selling tickets to the Poor Man's Supper. The 1976-77 Key Club also added a billboard of the Alma Mater to the gym this year.

By providing these services for the school and community, the Key Club showed another example of Shreve's fine service clubs.

Leo Club Becomes Co-Educational

Since its inception, Leo Club has been a service club open only to young men, with girls serving as sponsors. This year changes were made and girls were allowed to become active members.

Each month, members participated with Astra Club in visiting the Shriner's Hospital. Leo clubbers also collected goods for Sister Margaret. Club members showed spirit by challenging Interact and Key Clubs to a basketball game. Guided by Mr. Bill Willis, a calendar was sold which featured a different Captain Shreve girl for each month. Part of the money raised went to Sight Conservation and to the Lion's Crippled Children's Camp. In March, Leo Club members journeyed to Leesville to attend the state Lion's Club Convention.

Debate Gains Experience

The Captain Shreve Debate Team, under the guidance of Mr. Jack Bogan, attended various tournaments during the school year. The members traveled to colleges and high schools throughout Louisiana participating in the debate tournaments and speech festivals.

Being a good debater requires a lot of time, which was proved by this year's team. The members spent many hours researching and organizing the material they needed for their debates. The team then held practice debates to make sure they were ready for competition. Some debate members also gave the prayer and halftime announcements during the Captain Shreve home football games.

Drama Club Is Out of This World

The Captain Shreve Drama Club is an organization devoted to promoting interest in all phases of theatre. It is constantly striving to reach higher levels of achievement. All members are expected to develop their abilities to the fullest.

The club has always enjoyed a large student membership and this year was no exception. In the fall, Gore Vidal's satire, "A Visit to a Small Planet," was presented. In the spring, a musical, "Dracula, Baby," opened and ran for the traditional three nights. Besides the plays, the club competed in speech tournaments, attended workshops and assisted in community productions.

French Club Gains Knowledge

The French Club at Captain Shreve attempted to educate students about the French people, their customs, and their language. Supervised by Mrs. Chalfant, Mrs. Hicks and Mrs. Langley, French Club members promoted school spirit in various ways. In the fall, students participated in the Interlanguage Club Olympics as well as the Interlanguage Club Christmas banquet, in which all language clubs presented skits and foods from their particular country. Also, this organization sponsored a candy sale and held "Le Petit Dejeuner." Through all these activities, the French Club had maintained its reputation of being a promoter of school spirit.

German Club Observes Weihnachten

The German Club at Captain Shreve enables its members to learn about Germanic culture and still have a good time in the process.

Under the guidance of Mrs. Ruth Page, the club participated in many activities during the past year. In the fall, German Club members competed in the Foreign Language Club Olympics. In December, members brought German cuisine and performed a skit at the Interlanguage Club Christmas Party. The club also held its own seasonal parties, such as the Oktoberfest, Weihnachten, and Fasching, as well as having soccer games. Selling large pretzels provided money for some of the German Club's activities.

Latin Club Attends Convention

The purpose of the Latin Club at Captain Shreve is to encourage among its members an interest in the civilization, language, literature, and art of ancient Rome.

Through the guidance of Mrs. Sherri Yerger, members of the club provided service to the school as well as learning more about Latin. During Homecoming, clubbers sold corsages. In the fall, Latin Club participated in the Interlanguage Club Olympics. At Christmas time, members attended the Interlanguage Club Christmas Party. Latin Club members were also able to attend the State Latin Club Convention in Baton Rouge. Clad in togas, members competed in olympic and academic contests.

Spanish Club Means Involvement

The purpose of the Spanish Club was to offer an extra opportunity for fellowship and to increase the members knowledge of the Spanish language, food, customs, and culture. Sponsored by Mrs. McCauley, the club participated in many activities during the school year. In the fall, the members took part in the Interlanguage Club Olympics. At the Olympics, the members of the language clubs competed against each other in athletic races. At Christmas time, the club members attended the Foreign Language Club Christmas Party with members of the other language clubs. The Spanish Club also hosted a banquet for all of its members at the end of the year.

Squadron '77 Flies Sky High

The Aerospace Science Club's motto expressed the feelings of the members this year — "Aviation in itself is not inherently dangerous. But to an even greater degree than the sea, it is terribly unforgiving of any carelessness, incapacity or neglect. Sponsored by Mrs. Wray, this year's squadron visited the various aerospace facilities in the local area.

Although flying was not part of the school course, each member was encouraged to take three flights, including a short cross country flight. In these ways, the club again achieved its purpose - to be involved in all facets of the air age.

History Club Travels to Natchez

The History Club at Captain Shreve provided a greater appreciation for past historical events. Tours, field trips, and projects, planned by Mrs. Eleanor Cameron and Mrs. Hazel Martin, helped students to gain knowledge and widen their interests. Members of this organization made a trip to Natchez, Mississippi, for the pilgramage to see the antebellum homes. Members also had a Christmas party.

The History Club also proved to be a service to the school as well as to the community. The students helped Sister Margaret by collecting goods. During homecoming, club members decorated a table which showed the history of Captain Shreve over the past ten years.

4-H Members Gain Experience

An active 4-H Club is an asset to every school and community. The 4-H Club at Captain Shreve provided its members with a deeper appreciation of the practical aspects of every day living. During the year, 4-H members were encouraged by their sponsor, Mrs. L. B. Mitchell, to develop their own individual projects. Through these projects, students endeavored to recognize and pursue their talents in the areas of home living and agriculture.

4-H offered opportunities for participation and recognition of outstanding accomplishment at the local, state, and national level. Participation in club activities lead to decisions that concerned future occupations.

Black Studies Sets Goals

The Black Studies Association completed its goals this year by sponsoring activities such as an assembly program during Black History Week. This focused attention on Black history and culture. Pride and appreciation of one's heritage was developed by awareness of the contribution of the Black Society to the history of our country.

Club members displayed an interest in civic affairs by working at the polls on Election Day and sending a letter to President Carter. The spirit displayed by club members contributed to the increase in membership. Advised by Mrs. M. D. Green, Mrs. Lena Leviston and Mr. Rudolph White, this group presented a collage of Black history to the student body.

Junior ROTC Develops Patriotism and Honor

The Captain Shreve Junior ROTC added another facet to the high school experience by developing qualities that are assets in future life. It promoted leadership development and provided practical experience for the potential leader of tomorrow. Personal honor, leadership, and patriotism were the goals cadets sought to achieve.

Once again in 1977, over one hundred students enrolled in ROTC. These students were organized into a military battalion with students serving in positions of authority. Awards were earned on the basis of academic and leadership development, self-discipline, and courtesy. Cadets advanced according to their abilities.

ROTC Unit Receives Superior Rating

The ROTC unit at Captain Shreve was one of superior quality, ranked as one of the best in the nation. In the spring, the national standing of the corps was determined by a full scale inspection held by a federal evaluation team of regular Army officers. The Captain Shreve ROTC attained the status of "HUWD," meaning "Honor Unit With Distinction."

The Battalion was subdivided into four companies: Headquarters, "A" Company, "B" Company, and "C" Company. The Battalion Commander, his staff, and Senior Army Instructors enabled things to run smoothly, efficiently, and in an orderly fashion.

Drill Teams Prepare for Competition

The Gator Drill Teams and Firing Squad were composed of ROTC cadets who were willing to give their own time to prepare for difficult competitions. The precision marching unit spent many long hours mastering their formations and drill maneuvers. The teams represented Shreve at various competitions and parades both locally and out of town, in addition to serving at many school functions.

Lt. Bonita Persley served as commander for the Girls' Drill Team. The Boys' Drill Team was commanded by Capt. Homer Mattox. Commanding the Firing Squad was CSM Jay Ham. All of the teams were sponsored by CSM Murray Huffman.

Special Forces Unit Elite of ROTC

The Special Forces Unit, also known as Explorer Post #94, specialized in guerilla and counter-guerilla warfare. The Special Forces Unit consisted of cadets trained in hand to hand combat and wilderness survival. Under the leadership and guidance of SFC William Freeman, members of the unit were also trained in map reading and taught how to deal with problems typically encountered in the field.

Explorer Post #94 was subdivided into three groups: the Demon IV group, the Male Special Forces, and the Female Special Forces. These young men and women were considered the elite of Captain Shreve's Junior ROTC.

Rifle Team Wins League Championship

Mastering the use of firearms was the ambition of the Gator Rifle Teams. Cadets were selected for their firing ability, their sense of responsibility, and their willingness to give their time to perfect their marksmanship. The rifle teams competed with many other high schools in a rifle league sponsored by the Shreveport Chamber of Commerce.

The three teams received excellent training from the team coach, CSM Henry Chiasson. The rifle team members spent many hours with him training for competitions. The reward for this hard work came when the Varsity "A" team became the city league champion with a perfect record of 10-0.

Science Club Explores New Worlds

The Science Club at Captain Shreve offered an opportunity to its members to pursue special interests in science and science-related fields. These different areas of study included biology, Biology II, chemistry and physics. This organization encouraged its members to investigate science outside the classroom and to acquire knowledge of scientific matters.

Sponsored by Mr. Tom Branim and Mr. Bill Willis, the members of the Science Club gained further knowledge through field trips, guest speakers and films. Through original research and scientific method, greater insights were gained into the world of science.

FCA Reflects Christian Spirit

The Fellowship of Christian Athletes brought young athletes together by sharing with others the importance of Jesus Christ. Sponsored by Coach Tommy Powell, the members met and discussed ways that each of them could set examples for other students at Captain Shreve. Most of the sports at Shreve were represented at the regular meetings: football, basketball, baseball, track, tennis, and golf. At these meetings they discussed the role that Christ played in their lives.

The Challenger Award, given to the most outstanding Christian leader in Caddo Parish, was presented to Teddy Casten at the annual Challenger Awards Banquet.

JML Encourages Volunteer Work

The Junior Medical League was a club designed for students interested in health and medical careers. Sponsored by Mrs. Warren and Mrs. Hamilton, the JML encouraged its members to support the volunteer work program at the Shreveport Veterans Administration Hospital. JML also had many guest speakers during the year, who were employed in medical and health services throughout the city. They gave JML members insights into what the medical program was all about.

During the spring the JML planned a trip to visit Baylor Medical Center in Waco, Texas. The students were also able to tour a hospital and visit an observatory room during an operation.

Future Homemakers Prepare for Life

Future Homemakers of America, provided its members with opportunities for individual growth and prepared them for future family and community living. This organization encouraged interest in home economic careers and other related occupations. FHA strived to express the family as a basic unit of society. Encouragement for universal brotherhood was given through group and individual participation.

Under the supervision of Mrs. Mitchell and Miss Obee FHA members visited the Shriner's Hospital as well as local nursing homes. Celebrating National FHA week, as well as holding a banquet, were among their club activities this year.

FBLA Instills Good Business Attitudes

Future Business Leaders of America is an organization which encourages its members to take an interest in their choice of business occupations. FBLA impressed upon its members the importance of improving the home and community.

FBLA members broadened their knowledge of the business world by participating in district, state, and national conventions. Sponsored by Mrs. Lena Leviston and Mrs. Dorothy Flanagan, FBLA members participated in various projects, such as holding a candy sale, keeping a scrapbook, and helping two needy families during the Christmas season. Through these activities, members developed good business qualities.

DECA Trains for Future Careers

During the past ten years, students at Captain Shreve have developed a sense of responsibility and a feeling of security for future business careers through Distributive Education. DECA is a national youth organization designed to give students the opportunity to become skilled in various business activities.

In March, DECA members attended the State Career Development Conference and later hosted an Employer Appreciation Banquet in the spring. Guided by Mrs. Jan Otwell, members learned the responsibility of holding a job while continuing their education.

Computer Club Really Adds Up

Due to the complexity of the world in which we are living, the value of computers in a highly technical society continues to increase. Members of the Captain Shreve Computer Club, under the guidance of their sponsor, Miss Sandra McCalla, had an opportunity to develop a keener interest in computer science. Members became involved in preparing computer programs using skills acquired in classroom study. As skills improve, successful programs increased and failures decreased. This experience helped to develop leadership qualities, confidence and a sense of accomplishment. Club members became aware of career opportunities in this technological field.

FTA Produces Future Educators

FTA, an organization designed to develop an interest in the teaching profession, gives its members the chance to explore their interests and abilities in various branches of education. This organization shows its members that they have a responsibility toward educating youth in years to come.

Among their various helpful activities, the FTA members assisted teachers in grading papers and running errands. Under the supervision of Mrs. Cecilia Buck and Mrs. Carrie Williams, students offered their services to teachers during Teacher Appreciation Week. The services performed by the FTA were designed to guide its members to be better teachers in the future.

Stage Band Attends Festivals

The Stage Band at Captain Shreve participated in many music festivals during the school year. They traveled to New Orleans to take part in the Loyola Music Festival. The band members also went to the USL Music Festival and to the Stephen F. Austin Music Festival, where the band received a superior rating. At Stephen F. Austin, Mark Griffith, Phillip Westover, and Steve Griffith were awarded the All-Star Music Award for their outstanding musical abilities.

The Stage Band, under the direction of Mr. Mike Raleigh, practiced many hours before they attended the music festivals, but they were rewarded by the superior ratings they received.

Ad Staff Programs All the Action

At the beginning of the summer, the Football Ad Staff sold advertisements to all businesses or persons who wished to support the Captain Shreve football team. Also they took pictures and drew layouts to complete the football program. During the homecoming week, the Ad Staff worked even harder so they could put out an extra supplement of the homecoming court.

This year proved to be very fruitful for the staff, who worked under the leadership of the advisor, Mrs. Marie Blair. Truly these staff members helped promote Gator Spirit.

Enterprise Changes Their Style

The purpose of the Enterprise was to interpret school life to the Captain Shreve students and to the community, to sustain unity between student opinion and administration policies, to encourage high scholarship and sportsmanship, and to motivate the true Captain Shreve High School spirit.

Sponsored by Mrs. Gaye Gannon, the newspaper staff was able to form many new ways of communicating to the students. People, places, events-all of this and more could be found in the 76-77 Enterprise.

LOG Staff Displays Much Talent

Working diligently, the 1976-1977 LOG Staff put together the tenth annual yearbook in Captain Shreve's history. Under the supervision of Mr. Greg Cofer and Mrs. Dorothy Flanagan the staff was able to create one of the best yearbooks ever.

The 1977 LOG was under construction beginning in July at the USL workshop and continued throughout the year. Many of the staff members who attended yearbook camp won trophies for their outstanding talent. All in all, the yearbook staff had an extremely fruitful year.

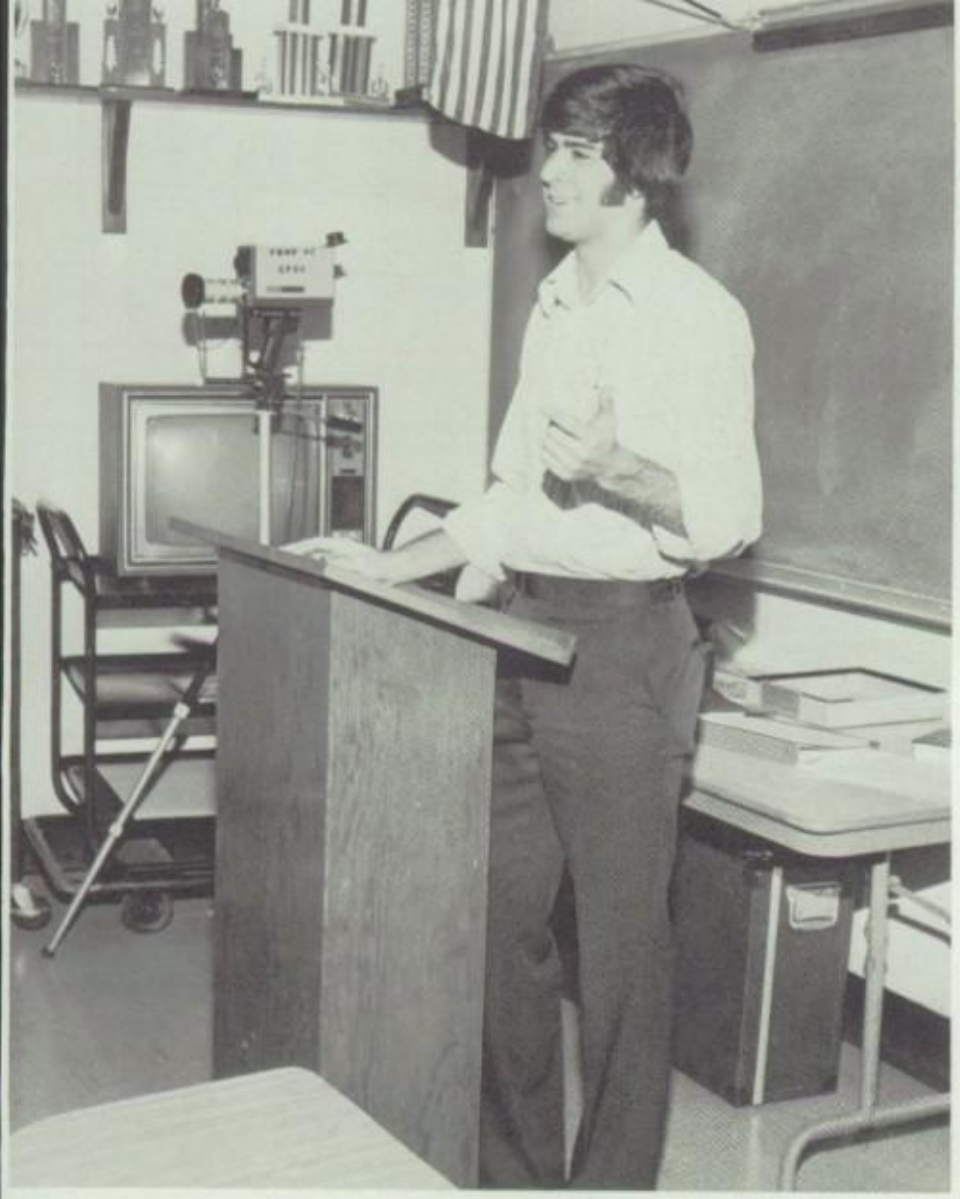
Mr. and Miss Captain Shreve

(selected by members of the LOG staff)

SCOTT SINCLAIR and MATILDA McCULLOUGH



LOG Staff Selects Mr. and Miss

This year the LOG Staff chose Matilda McCullough and Scott Sinclair as Mr. and Miss Captain Shreve. These students were selected because of their outstanding participation and work while at Captain Shreve. Both students exemplified not only high academic achievement, but leadership as well.

Matilda, winner of the Optimist's Award, was a member of Drama Club, Thespian Society, Z-Club, National Honor Society, FBLA, and Pep Squad drum corps and served as Student Council treasurer. Scott was active in debate and served as president of Debate Club. He also was a delegate to Boys' State, vice-president of National Honor Society, and was an Interact board member.

Outstanding Cadets

Seven seniors were chosen by the faculty for this year's Who's Who at Captain Shreve on the basis of their scholarship, leadership, good character, and service. These seven included Teddy Casten, Kathy Elmore, Melissa Kirkikis, Twyla Lee, Sandra Phillips, Scott Sinclair, and Anita Whitaker.

Teddy Casten, active in baseball and football, was a member of Key Club and Science Club. Kathy Elmore was a member of Drama Club, Thespian Society, and Black Studies. Melissa Kirkikis was an Interact sponsor, a senior Pep Squad officer, service chairman for Z-Club, and National Honor Society secretary. Twyla Lee was a cheerleader, a member of Football Ad Staff, FBLA, and National Honor Society. Sandra Phillips was a member of FBLA, National Honor Society, and Student Council vice-president. Scott Sinclair was vice-president of National Honor Society, delegate to Boys' State, Debate Club president, and board member in Interact. Anita Whitaker was a cheerleader, a delegate to Girls' State, and a member of Drama Club, Thespian Society, and National Honor Society.

1977 Favorites Are Enthusiastic Gators

The 1977 Captain Shreve favorites proved to be very enthusiastic Gators with personalities that characterized the ideal CS student. Each individual student placed a nomination for one boy and one girl from his class. The top five nominations were then put before the students for a final vote. The end result was eight favorites representing the friendliest and best-liked in each class.

Seniors who were selected for favorites were Kelly Waite and Bill Roby. Kelly was a cheerleader, a senior homecoming maid, a Student Council representative, and a member of Astra Club, Drama Club, Gator Bait, and CODAC. The familiar smiling face of Bill Roby was a common sight at CS. Bill was vice-president of Key Club, delegate to Boys' State, member of National Honor Society, Drama Club, Latin Club, Science Club, and tennis team. Junior favorites included Bitty Donner, and Billy Kirkikis. Danette Fauor and Chuck Stadtlander were the Sophomore favorites; Cathy Bamburg and Ray Thompson were the Freshman favorites.

OPPOSITE PAGE TOP RIGHT: Billy Kirkikis rings a familiar bell a little too loudly for Bitty Donner to hear. OPPOSITE PAGE BOTTOM: Kelly Waite offers Bill Roby some coffee and a little bit of friendly advice. TOP: Chuck Stadtlander carts Danette Fauor on a "free ride." BOTTOM LEFT: Ray Thompson and Cathy Bamburg are willing and ready to pump gasoline from their 1940 gasoline pump.

National Honor Society members are: (BOTTOM ROW, LEFT TO RIGHT): Lori Bernat, Kathy Muslow, Benny Van Osdell, Clyde Tew, Teddy Casten, Richard Wilson, Al Picazo, Steve Hooper, Fred Kent, Doug Hellinghousen, Gary Butler, Phillip Westover. NHS Prepares for May Graduation

National Honor Society is an honorary organization composed of juniors and seniors chosen because of their scholarship, leadership, good character, and service. During Homecoming, the members helped sponsor a Homecoming Tea for the Captain Shreve alumni. In the spring, the junior members ushered at the graduation and baccalaureate exercises. The members of this year's National Honor Society nominated Melissa Kirkikis and Scott Sinclair as NHS scholarship semi-finalists to compete in national competition.

Thespians Make CS Plays Successful

The International Thespian Society was an honorary organization for outstanding drama students who had worked for at least one hundred hours on drama productions. These hours could be obtained by working in such theatrical areas as acting, lighting, costumes, props, and hospitality.

In the fall, the society held a workshop to create more interest in drama throughout the community. At this workshop, various speakers gave instructions and demonstrated different dramatic techniques in the different areas associated with the theater.

Pel Staters Bring Honor to Shreve

In the spring of 1976, the faculty selected five girls and five boys to participate in Pelican State. These students joined hundreds of other Louisiana high school students for eight days at LSU campus in Baton Rouge where they had the opportunity to learn and participate in politics and government. Girl delegates were: Susan Burns, Caroline Chapman, Billie Driver, Polly Pepper, and Anita Whitaker. Boys' State delegates were: Matt Dillman, Kelly Jones, Bill Roby, Craig Trammell, and Scott Sinclair.

During the week the Pel Stater's had the opportunity to run for various city, parish, or state offices. They also heard such speakers as State Senator Virginia Sheehee and State Superintendent of Schools Kelly Nix. Offices held by delegates from Shreve were as follows: Susan Burns, City Clerk, Commissioner of Elections; Caroline Chapman, parish party chairman, senator, and Nationalist's Party nomination for secretary of state; Billie Driver, senator, chairman of education committee, and Nationalist's Party nominee for superintendent of education; Anita Whitaker, state superintendent of education; Polly Pepper, city judge, parish delegates for superintendent of education. Boys' State offices were: Matt Dillman, senator, Outstanding Parish Leader, Nationalist's Party nominee for attorney general; Kelly Jones, district attorney; Bill Roby, city health official, head of school board; Scott Sinclair, attorney general, and Craig Trammell, state representative.

ROTC Awards Outstanding Leaders

Another dimension was added to the JROTC high school student's education by developing qualities that provided the necessary environment for leadership development. Five ROTC cadets, Mark Goldstein, Michael Giglio, Darrall Henderson, Joe Carter, and Edgar Nelson, were honored with awards because of their superior achievements in the fields of character, academics, discipline, courtesy, and leadership. Mark Goldstein and Michael Giglio received the Superior Cadet Decoration for superior performance in academic and military areas. The Sons of the American Revolution Bronze Medal was awarded to Darrall Henderson for his participation in ROTC extracurricular activities and for his excellent academic and military record. Joe Carter was awarded the Reserve Officers' Association Outstanding Cadet Medal and Outstanding Marksman for his outstanding leadership, service, and military achievements. The Senior Army Instructor Award was presented to Edgar Nelson for his scholastic and ROTC leadership.

Sabers Salute Queen and Court

Tradition was observed during Homecoming this year as Queen Anita Whitaker and the 1976 Court were presented to Gator fans during the Byrd High School football game. During halftime the ROTC formed an arch of Sabers, the Gatorettes formed a crown, and the Captain Shreve band played a traditional march. Mr. Stanley Powell presented Anita with a bouquet of yellow roses.

Other members of the court represented were senior maids Twyla Lee, Melinda Miller, Gaye Pernici, Sheri Smith, and Kelly Waite. Junior maids included Renee Blanchard, Brenda Brock, and Monica Ford. Freshman maid was Cathy Bamburg. Following the presentation of the court, the school Alma Mater was sung.

Gators Complete Decade of Winning

The Captain Shreve Gator Varsity football team continued its winning tradition in 1976, ten years after its beginning. The Gators did not make the state playoffs, even though their 8-2 record was the best in district 2-AAAA.

Going into the Natchitoches game, the undefeated Gators were ranked eighth in the state; however, the Chiefs were able to pull off a 7-3 upset victory — knocking the Gators out of the district lead and state ranking. After losing to Natchitoches, the Gator's dreams of a state playoff berth were crushed in a second district loss — this time at the hands of the Bossier Bearkats. The Gators defeated their remaining opponents, completing their tenth successful season.

Gators Overcome Favored Knights

Captain Shreve	21
Woodlawn	14

The Captain Shreve Gators started off their 1976 football season with a 21-14 victory over the Woodlawn Knights. The victory, Captain Shreve's sixth in eleven tries against the Knights, required a come from behind effort by the Gators.

The Knights took an early 14-0 lead, thanks only to a pair of Gator fumbles. The Gators then were forced to begin their long comeback which was fueled by a second quarter 46 yard toss from Charlie Williams to John George. This play set up a 21 yard TD pass to Charles Herd — pulling the Gators to within seven points. The Gators went on to get 14 more points; six of which were picked up by a 37 yard Mark Magner TD gallup. The Captain Shreve defense then held off several fourth quarter Woodlawn drives to win 21-14.

Gators Get Revenge

Captain Shreve	21
Fair Park	6

Captain Shreve avenged their 1975 playoff loss to Fair Park with a decisive victory over the Indians. Although unable to score in the first period, the Gators held a 21 point lead at halftime.

Only minutes after Donnie Mosely scored Shreve's first TD, David Holts intercepted a defense forced pass and returned it to the FP 20. Two plays later, Rodney Bell drove over the goal-line for another score. Another FP pass was picked off by Alvin Lattier, who was finally tackled on the 15. Bell then found Brad Colgin stretched out in the endzone for Shreve's final touchdown. Captain Shreve held Fair Park to only six points, and the game ended in a Gator victory, 21-6.

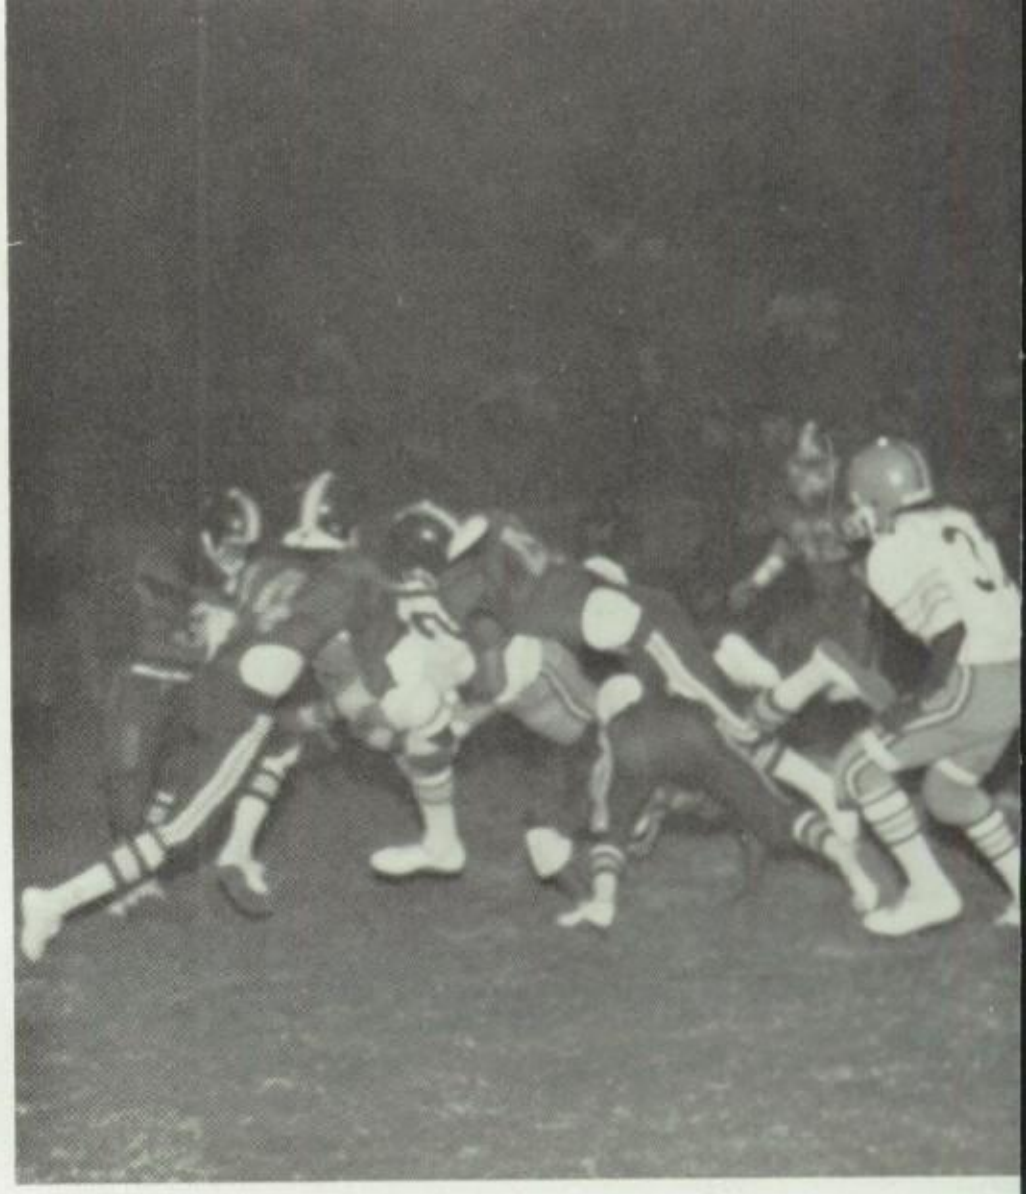
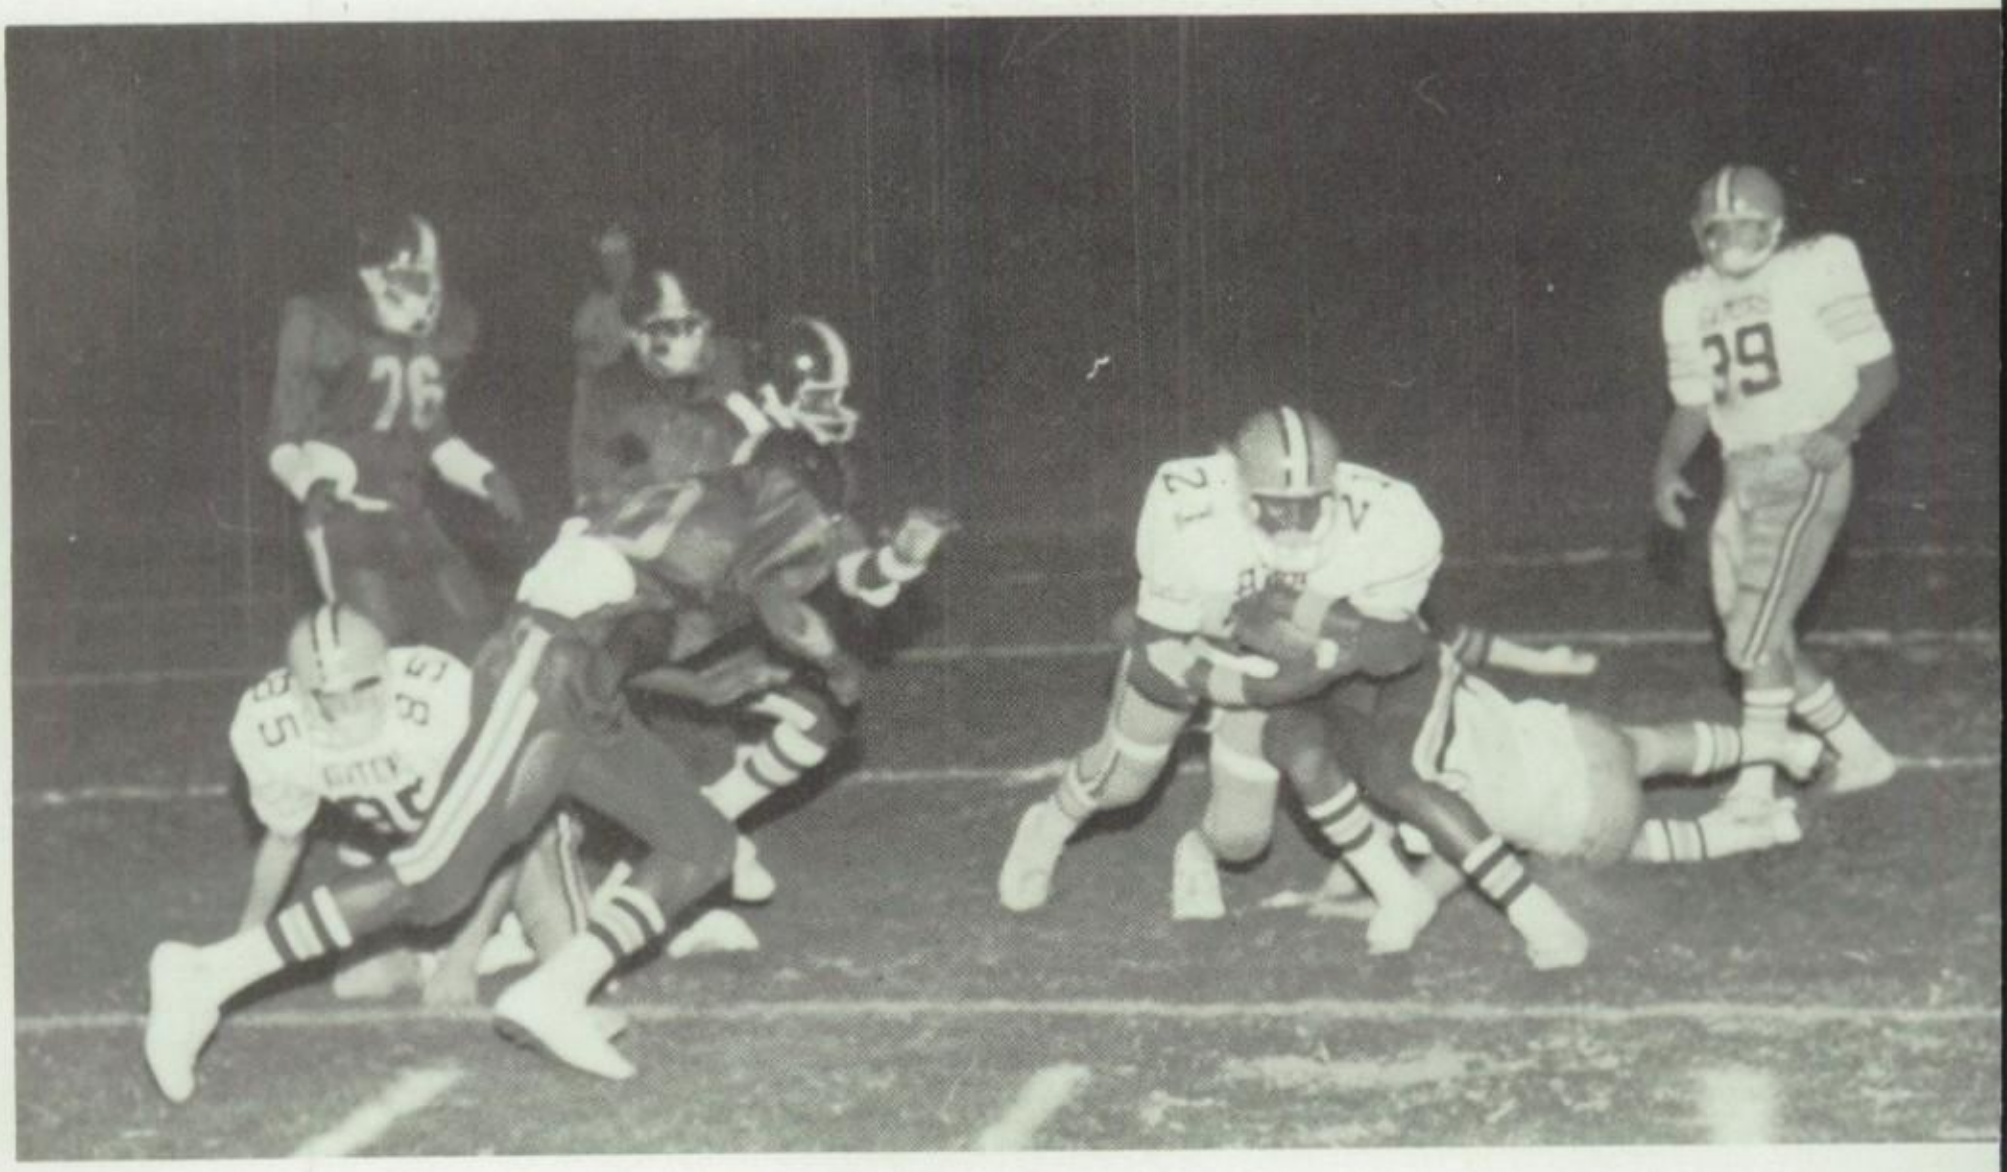
Gators Overpower Giants

Captain Shreve	35
Green Oaks	0

The Gators racked up their fourth consecutive victory by overwhelming the Green Oaks Gaints with a lopsided score. The overpowering Gator offense had one of its best games — rushing for 198 yards, passing for another 147, and rolling up 35 points. The devastating Gator defensive also sparkled — holding the Giants to only 68 yards on the ground and only 124 through the air.

The Gators scored a TD on their first possession of the game and went on to score three more times in the first half, giving them a 28-0 lead. Perhaps the best of the night was a 67-yard TD pass from Gator quarterback Rodney Bell to Jessie Goins for the final Gator score and a 35-0 victory.





TOP: The Giants have trouble tackling a Gator ball carrier. ABOVE: Charlie Williams evades Green Oaks' tacklers and scores one of Shreve's five touchdowns.

Shreve Sails Past Tide

Captain Shreve	7
Minden	0

The Captain Shreve Gators, ranked eighth in the state, went into the district game against the Minden Crimson Tide. The 7-0 Gator victory proved to be one of the hardest fought games of the season for the Gators.

Although the Gators were able to cross the midfield stripe on only three occasions, one of these crossings was a spectacular 76 yard TD pass from Rodney Bell to Charlie Williams. As the game neared an end, it appeared the Gators might get another TD; however, a Gator fumble allowed the Tide one more shot at tying the score. With the help of a couple of Minden penalties, the Gator defense stopped the last minute Tide drive to give the Gators their fourth consecutive victory.

Gators Rally to Defeat Cowboys

Captain Shreve	13
Southwood	7

Undefeated Captain Shreve, trailing since early in the first quarter, utilized a fourth quarter rally to defeat the Southwood Cowboys, raising their season record to 5-0.

Late in the final period Rodney Bell, facing fourth and 17, found John George, who made a sensational one-handed catch for the first down. Bell later connected with Brad Colgin in the endzone, tying the score at 7-7. The Gators then forced Southwood to punt, regaining possession with over two minutes left to play. Three plays later, Bell passed perfectly to Colgin who ran 32 yards to the endzone untouched. Time ran out before Southwood could retaliate, and the bleachers emptied with the final score, 13-7.

Gators Lose State Ranking

Captain Shreve	3
Natchitoches	7

Ranked number eight in Louisiana, Captain Shreve entered a District 2-AAAA contest with Natchitoches undefeated. Shreve's hopes of 10 wins in their tenth season were forgotten after an unexpected loss to the Chiefs, 7-3.

The Gators, with 1:56 left, took the halftime lead when Lee Hiller successfully completed a 25 yard field goal. But early in the second half, Natchitoches went ahead by scoring a touchdown. The Gators, sparked by a 50 yard end around play by John George, fought to the 11 yard line. The TD attempt failed as Rodney Bell's pass was intercepted on the goal line. On later attempts, the Gators penetrated the NC 24 and 21 before ending the game on the 21.

P LEFT: John George made many great catches for the Gators. BOTTOM: Gator kicker Lee Hiller was a valuable asset to his team.

Gators Playoff Hopes Shaken

Captain Shreve	7
Bossier	27

Captain Shreve's hopes for a playoff berth were shaken as they lost to Bossier, 27-7.

Held scoreless in the first period, Shreve fought back in the second, using seventeen plays and 7:37 of the second period to tie the halftime score, 7-7. Donnie Mosely ran two yards for Shreve's only TD, and Lee Hiller's extra point caused the halftime deadlock. In the second half, numerous fumbles, interceptions, and a tough Bossier defense kept Shreve out of the game. The Bearkats, put in scoring positions by Shreve's mistakes, tacked twenty points onto the scoreboard. The Gators, after playing well in the first half, saw victory fade in the second, lowering their district record to 2-2.

Gators Pass by Panthers

Captain Shreve	25
Parkway	12

Captain Shreve's 25-12 victory over the Parkway Panthers can be attributed largely to a great Gator passing attack. Rodney Bell only hit on 5 out of 10 attempts, but one was a 55 yard bomb to tight end Brad Colgin setting up the first Gator TD. John George also proved valuable at crucial times to the Gator attack catching four Bell passes for 54 yards.

While Bell and the receiving corps were passing their way through the Parkway defense, the Gator defense was keeping the Panthers away from paydirt. The Panthers were able to get two TD's — thanks largely to two great kickoff returns; however, 12 points were not enough as the Gators were able to roll up 25.

TOP LEFT: Rodney Bell searches for holes in Parkway line. BOTTOM LEFT: Gator passing attack is effective against Parkway. BOTTOM RIGHT: Brad Colgin helps Gators wrap up Panthers.

Gators Down District Leader

Captain Shreve	14
Airline	7

The Captain Shreve Gators defeated the district 2-AAAA leaders, the Airline Vikings. The Vikings came into the game with hopes of clinching the district; however, the Gators 14-7 victory ended those hopes.

The Gators were outrushed and outpassed, but not outscored as they were able to get TD's on a three yard run by Charlie Williams and a one yard sneak by Rodney Bell. Lee Hiller added the PAT on both occasions giving the Gators 14 points. The Gator defense would bend, but not break as they always got tough with their backs to the goal. Time and time again the Vikings neared the end zone but the Gator defense allowed them to reach it only once, giving the Gators a 14-7 victory.

Shreve over Byrd Once Again

Captain Shreve	26
Byrd	0

Captain Shreve welcomed home nine years of alumni with a smashing 26-0 victory over the Byrd Yellow Jackets. The win marked the ninth consecutive time that the Gators have defeated the Jackets in their ten year history.

Shreve scored once in the first half with Brad Colgin receiving a Rodney Bell pass for a TD. The second half opened quickly with the Gators scoring nineteen points in the third period. Charlie Williams raced 65 yards leaving a wake of broken tackles behind for the TD. Bell scored next on a six yard end around play and, Colgin scored with a 57 yard pass from Bell. Once again, the Gators triumphed over the beaten Yellow jackets.

Talent Builds in Junior Varsity

The Captain Shreve Gator Junior Varsity football team, although getting off to a slow start by losing their first game, finished their season with an outstanding record of seven wins and one loss. By working hard during their season to build their stamina and experience, the young Gators defeated seven of their eight opponents and let only two of them within four points of the Gator score.

The Gator team next year will be ready and experienced, assuring Captain Shreve of a good squad in the future.

Shreve Has Winning Tradition

Captain Shreve's tenth season ended with a disappointing 11-19 record; but, the Golden Gators have amassed 213 wins with only 99 losses in their ten year history and have competed in the playoffs six times. Shreve has been honored by having four Gators selected as All-State, three as All-American, one as All-Top twenty as well as nine selected as All-City and eleven as All-District. Other honors include Coach Billy Wiggins being selected Coach of the Year three times and having five Gators chosen as MVP in either All-City or All-District.

Despite their poor season, the 1976-1977 Gator Squad, lead by Rodger Foppe, who scored 545 points and Dave Vanderkuy, who lead the team in rebounds, played proudly throughout the season.

The Gator players started off their season well by winning their first games against Byrd and B. T. Washington, but, had trouble in the remainder of their season. Despite their difficulties the Gators maintained a high level of morale and good sportsmanship throughout their season. Raymond Yopp was coach for the Junior Varsity Squad.

Gators Have Successful Season

Captain Shreve's baseball team had another successful season in 1976, compiling a record of ten victories and seven losses. Under the leadership of Coach Albert Levinston and Assistant Coach Clarence Conway, the Gators chalked up 7 wins and 5 losses in district play, earning them the third place spot in District 2-AAAA.

The returning lettermen for the 1977 season were Rodney Bell on the mound and in center field, Teddy Casten behind the plate, Alvin Lattier on second base, and Donnie Mosely in the outfield. These players hoped to lead the Gators to a Championship in 1977.

for the Fifth Time

Gators tennis teams have virtually dominated high school tennis for the past few years and 1976 was no exception. Both regional and state titles were captured by Valerie Harrison in girls' singles competition, and by Lillian Galloway and Mark Harrison in mixed doubles. Lianne Berry and Harriet Prothro took state in girls doubles competition.

Lettermen returning for the 1977 tennis team were Bert Baker, Robert Beam, Lianne Berry, Carol Boston, John Diamond, Lillian Galloway, Stephanie Harrel, Mark Harrison, Valerie Harrison, Doug Hedges, Russell Hedges, Steve Hooper, Kelly Jones, Howard Kaplan, Fred Kent, Mimi O'Neil, Harriet Prothro, Ann Raborn, Bill Roby, and Richard Wilson. Track Team Upholds Record

The Captain Shreve Gator track team had an outstanding ten year record. In 1970 the Gators placed first in the district meet. Throughout the ten year history of the school the team has never placed under third in a district meet. The 1976 team continued the winning record by placing third in the district meet and by winning the Woodlawn meet.

Returning lettermen for the 1977 track team were: Brad Colgin, John George, Isiah Smith, Homer Mattox, Bob Gleason, Malcolm Davis, Charlie Williams, Jesse Goins, and Ricky Pernici. This group of well seasoned seniors showed excellent potential during this year's meet. This group of seniors were helped by a fine corps of underclassmen.

Gator Golfers Line Up for Winning Season

The 1976 Captain Shreve Gator Golf team had a good year. Jim Travis received honors as medalist in the regional championships. Travis, as well as other members of the 1977 team did well in summer tournaments, promising the Gator the leadership and experience necessary for a winning team.

Returning lettermen for the 1977 squad were: Jim Travis, Steve Faler, Clyde Tew, and Rob Williams, who was the only Sophomore player to letter last year. With this squad of veteran prep players as well as the other Junior members the Gators had a good chance to pick up several honors during the 1977 season.

Gator Fever

The 1976-1977 Captain Shreve Cheerleaders had true "Gator Fever," continuing the spirit and tradition on which the Gators have stood for the past 10 years. The cheerleaders were commended for the marvelous job they put forth on banners, "spirit tags," "spirit hoops," pep rallies, and school relations.

John Iles, chosen by the student body, served as the 1976-1977 Al E. Gator. John brought enthusiasm, loyalty, patriotism, and good humor to all Shreve activities such as pep rallies and football and basketball games. Captain Shreve can surely say that John and the cheerleaders portrayed extreme GATOR SPIRIT.

Pep Squad Helps Boost Gator Spirit

"Guide right! Cover down! Turn left!" All of these things were heard as the Pep Squad practiced its exciting routines for the successful 1976 football season. Beginning in the last two weeks of August, the Gatorettes worked many long, hard, hot hours to make perfect such halftime formations as a moving Gator head, a train, and its annual glittering homecoming crown. The Pep Squad also performed a special routine based on different Walt Disney productions.

Under the superior guidance and supervision of Miss Joyce Jordan and Mrs. Renell Moore, the 1976-1977 Gatorettes helped boost the spirit in everyone.

Gator Spirit Never Dies

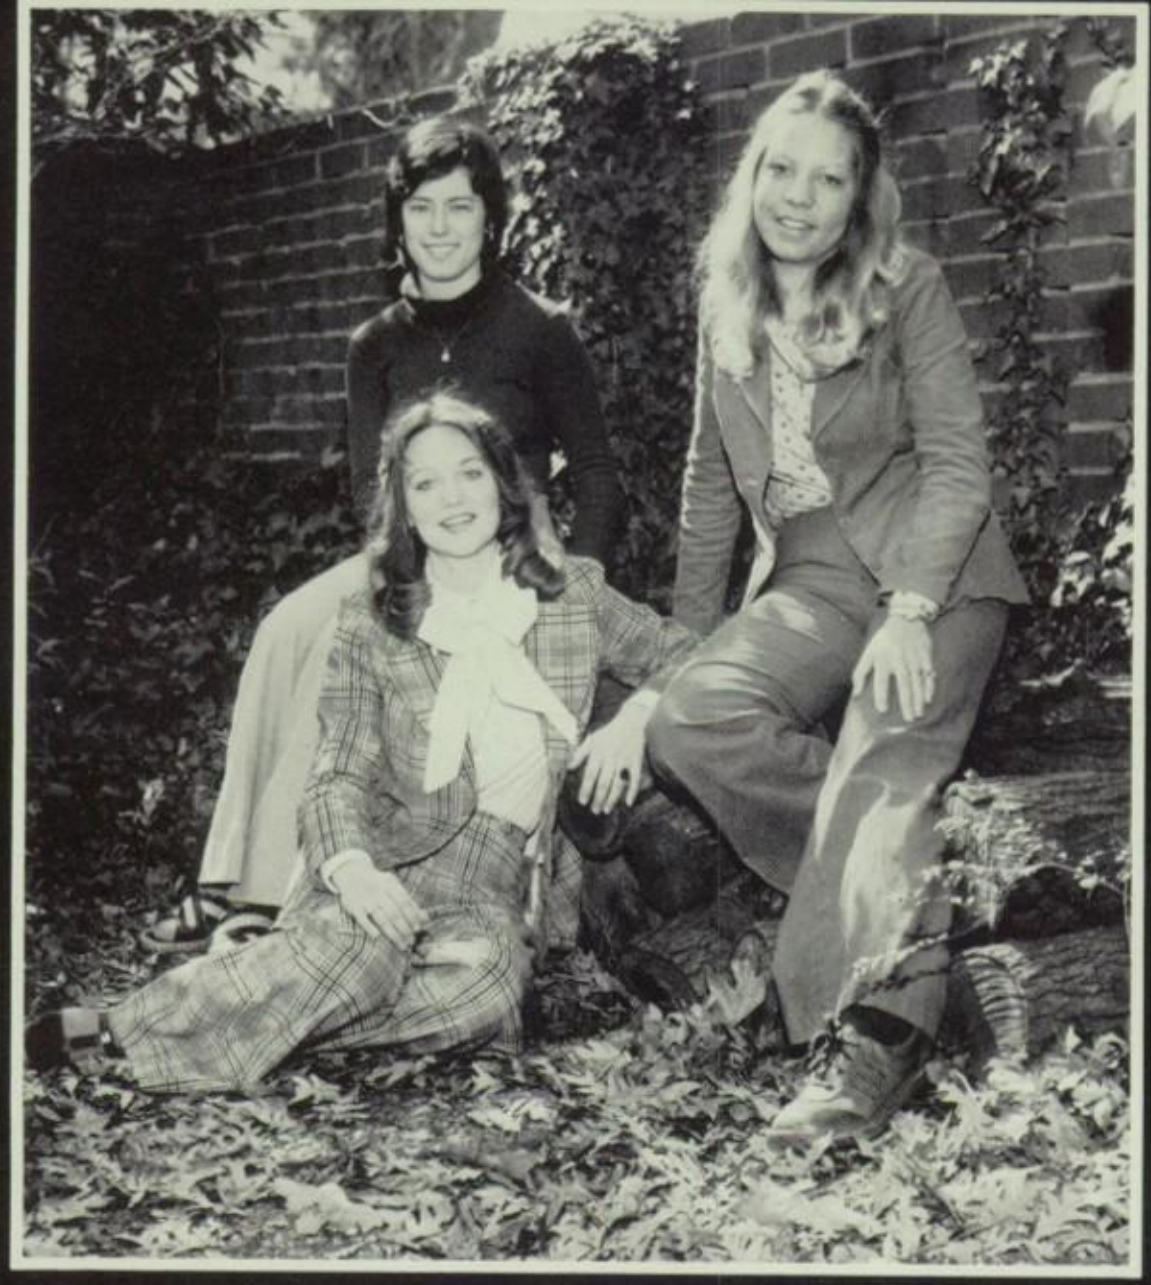
It is something that lived then, lives now, and will live for years to come — it is Gator Spirit. This unique atmosphere could be sensed all over Captain Shreve during any part of the school day. Spirit in Gatorland was a feeling experienced by many at a Pep Rally, a football or basketball game, or simply walking through the Captain Shreve halls between classes.

Not only was Gator Spirit seen in the students, but also in a teacher yelling to the players or even the referee at a football game. It could also be seen as the faculty cheered for "their" team at a Shreve Pep Rally. One found it easy to believe that "Gator Spirit Never Dies."

Every individual has his own method of portraying true Gator Spirit.

Gators Got That

Spirit of 76-77



From the beginning of Captain Shreve High School in 1969, a closeness has been sustained between the faculty and students. With each shared experience, through victory and defeat, through laughter and heartbreak, there has always been a real concern for one another. For ten years this spark has grown to a light which has warmed us all. Now, we are the Mighty Gators . . . One in the Spirit.

The warmth and hospitality that has been a characteristic of Captain Shreve, in addition to the love we have shared with others, have allowed us to reflect upon our past ten years with deep feelings of bringing our school together, becoming one.

We've only just begun when we leave Captain Shreve. For as we step into the world, we begin a start toward fulfilling our goals. In the 1977 LOG we tried, as a staff, to give each person a chance to reflect on what achievements and failures he has made, and to examine himself as an individual determining his future through life today.

One Bell System. It Works.

When you stop and think about your day-to-day life, you probably spend more time communicating — and being communicated with — than any other single activity.

The textbooks you read, your teachers' classroom presentations and, for that matter, all of education is really just communications. Add to that newspapers and magazines, radio and you write and we think you'll agree that communications is a big part of your life.

And . . . don't forget the telephone. If you're at all like most students, you probably spend at least an hour each day communicating by telephone with your friends.

Chances are, the telephones you use each day were made right here. The Shreveport Works makes over five million a year for South Central Bell and the other Bell System telephone companies. Bell Laboratories designs them. We build them. The Bell telephone companies install and keep them working. We're all part of a team — the Bell System team — working together to bring you and your friends the best in telephones and telephone service.
